1 EXT. ARKHAM ASYLUM - NIGHT 1

A castle of shadow. (OVER) RAIN, HOWLING evil wind. Red lightning CRACKS, illuminates the aged structure, the hanging lantern.

2 INT. ASYLUM CORRIDORS - NIGHT 2

DR. BURTON, the Chief Psychiatrist moves down the old hallway, face tense. He steps through a doorway into...

3 INT. MAXIMUM SECURITY- NIGHT 3

A GUARD stands before a heavy door.

GUARD
Hell of a night, huh Doc?

BURTON
Hell's in here.

Hydraulics HISS. The cell door unseals.

4 INT. SECURE ISOLATION CELL 4

Small. A single barred skylight casts the room in pallid moonlight.

A figure sits in shadow, bound by the wraps and ties of a straight jacket, his back to us.

Lightning flashes, brightening the room. THUNDER CRACKS.

DR. BURTON
Mr. Dent...

No answer. Burton steps closer.

DR. BURTON
Counselor...

Still nothing. Another step.

DR. BURTON
Harvey....

Burton touches his shoulder. Lightning flashes as....

THE BODY WHIPS around. An ORDERLY, gagged, sits bound to the chair with bedsheets.

The sheets around the chair have been rigged. Now they yank him up so he spins frantically from the ceiling fan. The roof overhead has been burned through, twisting iron supports open to the stormy night. Escape.

Lightning flashes again, illuminating a madman's scrawled writing on the wall.

WRITING - CLOSE. The Bat Must Die. THUNDER

The shadow of the spinning fan sweeps the old stone walls.

EXT. GOTHAM CITY SKYLINE - SUNSET

Approaching gothic towers of granite and glass shimmer golden in the autumn sun.

Spinning rotor blades rise INTO FRAME. As the helicopter fills the frame, PUSH INTO the window. A man sits in profile, watching the news on a seatback video screen.

NEWSCASTER

7

...And in Gotham City last night
ex-District Attorney Harvey Dent
escaped from Arkham Asylum for the
Criminally Insane....

The man turns. Handsome. Brilliant. BRUCE WAYNE.

THE HELICOPTER rises OUT OF FRAME. (OVER) the NEWSCASTER continues as we move into Gotham, labyrinthine buildings peeling back one by one.

NEWSCASTER (OVER)

Dent, once Gotham's leading
contender for Mayor, was horribly
scarred by underworld kingpin Boss
Moroni during an indictment hearing
two years ago.

8

CLOSER on a towering building in the heart of the city,
its power generated by a small but mighty dam below. A
glowing sign reads Wayne Enterprises.

HOLD on a single round window. MOVE IN

9

INT. BRUCE WAYNE'S OFFICE

9

Elegant. Oak. A wall monitor runs the same newscast.

10

INSERT SCREEN-

10

As Boss Maroni leaves the witness box, he tosses a vial
of acid at Harvey. Batman hits the vial, knocking the
throw wide but Harvey's own ill-timed block sends the
acid back into his face.

NEWSCASTER (OVER)

Dent, whose resulting left-brain
damage transformed him into a
violent criminal, launched a grizzly
crime spree before being captured by
Batman.

10A Another image shows Harvey in a hospital bed, bandaged head being unwrapped. His fiancée GILDA GOLD, recoils in horror.

NEWSCASTER (OVER)

Reported to have sworn revenge on the Dark Knight, he is extremely dangerous. Repeat...

11

BRUCE WAYNE ENTERS followed by his CHIEF EXECUTIVE, AIDES and his secretary MARGARET.

MARGARET

The President called. You left your tennis racket at the White House. He wanted me to assure you the arms ban will stay on the bill.

(manning a phone bank)

The Japanese Prime Minister again. On two. Holding.

EXECUTIVE

Five minutes to your inspection of the electronics division, sir.

AIDE #1

Need these authorizations yesterday.

AIDE #2

Tokyo's closing, sir. The Lexcorp stock...

Bruce takes a stack of contracts from Aide #1, signing some, discarding others. Very fast.

MARGARET

Gossip Gerty from Good Morning Gotham again. Holding. Must know who you're taking to the charity circus.

BRUCE

(handing back the contracts)

The rest can wait.

(off his watch)

Tokyo's not closing for 58 seconds.

An uncrated oil painting is revealed: a man in full body armor, backed by a battlefield spent by war.

EXECUTIVE

The painting you saw in the catalog, sir. The purchase price is two million dollars.

AIDE #1
The circus benefit committee would
like you to make a speech, sir.

BRUCE
(going to the phone)
Who's who?

MARGARET
Prime Minister Kikuchi on two.
Gossip Gerty from Good Morning
Gotham on one.

BRUCE
(lifting the receiver)
Hi, gorgeous.

Margaret and Bruce exchange a look. Ooops.

BRUCE
Oh. Prime Minister. Ogenki des'ka?
Senjitsuwa...jidou-kikin eno
kifu...arigato gozaemashta.
(laughs)
See you on the golf course.
Sayonara.

AIDE #2
Please sir. The stocks.

BRUCE
Cancel my dinner tonight, Margaret.
Roses, apologies to Ms. Gotham.

MARGARET
You mean Ms. January?

BRUCE
Right.
(to Aide #1)
No speeches.
(to Executive)
Buy.
(to Aide #2)
Sell.

As Aide 2 races from the office, Bruce checks his watch.

BRUCE
Let's start that inspection.

AIDE #2
Mr. Wayne.

AIDE #1
One more contract-

EXECUTIVE
The takeover bids-

MARGARET
The Circus

BRUCE
Stop!

Everybody freezes.

BRUCE

Let's all just take a deep breath,
okay?

Folks nod.

BRUCE

Good.

And with that, Bruce turns and walks out.

BRUCE

(to himself)

I gotta give myself a raise...

Behind him a sudden flurry as, YAMMERING, they all
follow.

A12 INT. ELEVATOR HALL - LATE DAY

Bruce and entourage exit the elevator.

12 INT. WAYNE ENTERPRISES - ELECTRONICS DIVISION DUSK

SHOTS of work-spaces.

Bruce, a Junior Exec ENTOURAGE trailing, tours the
facility. FRED STICKLEY, a fuss-budget plant manager,
leads.

STICKLEY

Your inspections are a departmental
highlight.

BRUCE

Really?

(a warm smile)

You all need to get out more.

13 OMIT

14 INT. EDWARD NYGMA'S WORK STATION (CONTINUOUS)

A clutter of computer parts. Paperwork everywhere.
Rubik's cubes, games, dozens of puzzle books all boasting
the green suited caricature of "The Guesser".

15 OMIT

16 EDWARD NYGMA, awkward, brilliant, feverishly working and
TALKING to himself.

EDWARD

We'll probably be dining at Wayne
Manor together. Bruce, could you
pass the gravy boat? What's that? I
forgot, you have people who do that
don't you? Yes. Yes. A party in my
honor?

EDWARD (cont'd)
(bangs his head against
the desk)
I should have rented a tuxedo. What?
One of yours, Bruce? Why not? We are
the same size.

17 The opposing wall is a shrine to Bruce Wayne: newspaper
headlines, a GQ cover, magazine photos. 17

18 Approaching COMMOTION. 18

EDWARD
Oh my God. It's him.

19 BRUCE 19

passes a mechanized pedestal atop which rests a metal
model of a sleek new airplane.

STICKLEY
The design appears flawless on
paper, sir. But we can't achieve an
anti-gravity field. The model plane
should float but it doesn't.

He lifts the plane, turns it over in his hand. Begins
tinkering as he continues walking.

BRUCE
Hmmm. Funny. Should work. Anybody
try kicking it?

Folks CHUCKLE. Edward appears on the edge of the group.
Stickley spots Edward. A cloud crosses his face.

STICKLEY
Well, Mr. Wayne, on to R&D?

Stickley rests his hand on Wayne's elbow. Begins to steer
him away. Not in time.

Edward steps forward. A man so uncomfortable, his very
skin seems to be a costume. He marches right up to Wayne,
takes his hand, fawning, the burning eyes of a sycophant.

BRUCE
Mr...?

EDWARD
Bruce Wayne. In the flesh.

BRUCE
(easy going)
No. That's me. And you are?

EDWARD
Nygma. Edward. Edward Nygma. You
hired me. Personally. Just like I
tell everyone.

EDWARD (cont'd)

(sotto voce)

Well, we've never actually met, but your name was on the hire slip. I have it framed.

He still hasn't let go of Bruce's hand.

BRUCE

I'm gonna need that hand back, Ed.

EDWARD

What? Ah yes. Of course. I'm sorry. It's just that...you're my idol.

(off Stickley)

And some people have been trying to keep us apart.

BRUCE

So, Mr. Nygma, what's on your mind?

EDWARD

Precisely. What's on all our minds? Brainwaves. The future of Wayne Enterprises is Brainwaves!

It's hard to imagine anyone more awkward. Folks stare.

STICKLEY

I really do apologize, Mr. Wayne. I personally terminated his project this morning...

20 Edward gestures to his cubicle. On his desktop, a la Rube Goldberg: a TV, jury-rigged to transceivers, diodes, and tangled wires running to two elaborate Flash Gordon type headbands.

20

21

EDWARD

Voila. My invention beams any TV signal directly into the human brain. By stimulating neurons --- manipulating brainwaves, if you will--- this device creates a fully holographic image that puts the audience inside the show. My Remote Encephalographic Stimulator Box will give Joe Q Public a realm where he is king. Not that someone like you would need it. Someone so intelligent. Witty. Charming. But for the lonely, the...

21

STICKLEY

Paranoid? The psychotic?

EDWARD

I just need a bit of additional funding. For human trials. Let me show you....

*

*

*

Bruce seems about to speak when suddenly-

22 THE BAT SIGNAL beams bright against the night clouds over 22
Gotham city.

23 BRUCE 23
Listen, Ed. Let me see your
technical schematics, on this...

EDWARD
I want you to know, we'll be full
partners in this, Bruce. Look at us.
Two of a kind.

Bruce's eyes dart again toward the Bat signal.

BRUCE
Call my assistant, Margaret, she'll
set something up.

EDWARD
(desperate)
Oh. Call your secretary. Is that it?

BRUCE
Yes, we'll get together-

EDWARD
(sudden rage)
No. Don't leave me! My invention
need you!

Edward has grabbed Bruce's arm. The room goes dead quiet.
Bruce's eyes narrow. Bruce dislodges gently.

BRUCE
Tampering with people's brain waves
is mind manipulation. It raises too
many question marks.
(heading off)
Factory looks great, folks. Keep up
the good work.

With that Bruce turns, makes a final adjustment on the
model plane, sets it back on the pedestal. Then he gives
the pedestal a slight kick. The pedestal glows and the
model plane rises, floating, into the air.

STICKLEY
Alright everyone, back to work.
(to Edward)
We'll discuss this later.

As folks marvel at the floating plane, Edward stares
after Bruce.

EDWARD
You were supposed to understand.

HOLD on this tiny man, all alone in the labyrinthine work-place, eyes darkening now with growing obsession.

EDWARD

I'll make you understand.

24 INT. BRUCE WAYNE'S PRIVATE OFFICE 24

Bruce ENTERS.

BRUCE

Lock.

25 THE DOOR-CLOSE. LOCKS. Bruce falls into a leather chair. 25

BRUCE

Capsule.

26 Suddenly the chair seat drops, fast, sliding into a transport capsule. 26

27 INT. TRANSPORT TUNNEL 27

The capsule shoots through the underground tunnel, lights WHIPPING past at near super-sonic speed

28 INT. - CAPSULE 28

Speed and time readouts appear on the windscreen beside the craggy face of ALFRED PENNYWORTH.

BRUCE

Alfred...

29 ALFRED 29

I saw the signal, sir. All is ready.

30 INT. BAT CAVE - COSTUME VAULT 30

Alfred watches the capsule arrive.

31 QUICK CUTS of glove, boot, and cape being donned. 31

32 INT. BATCAVE 32

FOLLOW Batman's feet as he steps up to the Batmobile.

CAMERA REVEALS...BATMAN. In all his glory.

Batman jumps into the Batmobile.

ALFRED

I suppose I couldn't convince you to take along a sandwich.

*

BRUCE
(to Alfred)
I'll get drive-thru.
(to the car)
Go...

33 The car shoots a white light from under it's belly. Hub 33
Caps and detailing glow as The Batmobile zooms out of the
cave.

34 INT. CAVE ACCESS TUBE 34
The car SHOOTS through a series of underground arches.
The car picks up speed, the white fusion glow turning
blue-white and then blue. The single bat wing splits into
two as the car becomes a stealth bullet.

35 EXT. WAYNE ESTATE - NIGHT 35
The dark car WHIPS through a holograph of trees that
masks the entrance to the Batcave, SCREECHING onto...

36 EXT. FOREST ROADS - NIGHT 36
The car speeds towards Gotham.

INT. SECOND BANK OF GOTHAM - 22 FLOOR - NIGHT

37 ANGLE OUTSIDE THE WINDOW ON 37
The Batsignal, cutting the darkness.

38 OMIT 38

38A In f.g., a spinning silver dollar flips up into frame, 38A
blocking out the Batsignal.

A HAND catches the coin, flips it again.

38B WIDER 38B
Witness the rakishly handsome profile of HARVEY TWO-FACE
DENT, the other side of his face hidden in shadow.

TWO-FACE
Counting on the winged avenger to
deliver you from evil, old chum?

PULL BACK TO REVEAL

A SECURITY GUARD, lying on the floor, wrists and feet
bound, trembling in fear of Harvey's SIX THUGS.

TWO-FACE
We most certainly are.

GUARD

...You gonna kill me?

TWO-FACE

Maybe. And maybe not. You could say we're of two minds on the matter. Are you a gambling man? Suppose we flip for it?

Two-Face holds the silver dollar under the Guard's nose. One side shines in mint condition.

TWO-FACE

One man is born a hero, his brother a coward. Babies starve, politicians grow fat. Holy men perish, junkies become legion. And why is this? Why? Heredity? Environment? Fate? Karma? No, my friend. Luck. Blind, simple, idiot, doo-dah, luck. The random toss of the great celestial coin is the only true justice. Triumph or tragedy, joy or sorrow, life or, dare I say-

Two-Face turns the coin, the other side bearing deep, disfiguring burns.

TWO-FACE

...death.

38C Two-Face flips. The coin spins, gleaming, lands on the floor only inches from the Guard's face. 38C

38D Two-Face STOMPS the coin. Winks at the sweating Guard. 38D

TWO-FACE

What greater thrill? What greater agony? Like the touch of God. Wait. Wait. Wait. How will justice be served?

Two-Face removes his foot. Unblemished side up. Taps the Guard's hearing aide.

TWO-FACE

Fortune smiles upon you, my friend. Another day of wine and roses, or in your case, beer and pizza.

The Guard SOBS with relief. Harvey SNAPS his fingers. Thugs descend on the hapless Guard, lift him by bound arms and legs.

GUARD

You said you'd let me live.

TWO-FACE

Too true. And so you shall. Nothing
better than live bait to trap a bat.

Two-Face nods and two Thug whisks him away.

THUG 2

Too many witnesses. We shoulda just
killed him....

Two-Face flips the coin. Evil side up.

Two-Face ROARS, suddenly savage, his hand shooting out,
pinning the felon's throat to the wall, face emerging
from shadow TO REVEAL his LEFT SIDE, an acid eaten
mutilation of flesh.

TWO-FACE

You stinking piece of virus breeding
rat droppings. Did you question our
coin?

(pushing in close)

Look at this face. Look closer. Do
you think there's anything on earth
we don't know about pain?

Still holding his throat, Two-Face backhands him across
the face.

TWO-FACE

Never

(slap)

Argue

(slap)

With

(slap)

Us! YOU GOT IT?!

THUG 2

(rasping)

...Anything you say boss.

Two-Face releases, the Thug sinking to the floor.

TWO-FACE

Exactly. Excellent response.

39 EXT. PAN-ASIA TOWN - STREET - NIGHT

39

Sweeping spots. Swat teams. Police wagons.

39A COMMISSIONER GORDON, 50s, a man who's seen enough pain
for a lifetime. Beside him stands a beautiful,
professionally dressed young woman. DR CHASE MERIDIAN.

39A

*

39B OMIT

39B

*

39C THE BATSIGNAL is suddenly obscured, flows for a moment into the shape of Batman's cape as the Dark Knight leaps down past the spotlight, lands face to face with Chase. 39C

39D CHASE 39D
Hot entrance.

Batman turns, all business as he speaks to Gordon.

BATMAN
Two-Face?

GORDON
Two guards down. He's holding the third hostage. Didn't see this one coming.

CHASE
We should have, though.

The men turn to face her.

CHASE
The Second Bank of Gotham...

BATMAN
On the second anniversary of the day I captured him.

CHASE
How could Two-Face resist?
(offering her hand)
Chase Meridian.

GORDON
I asked Dr. Meridian to come to Gotham to consult on this case. She specializes in...

BATMAN
...multiple personalities. Abnormal psychology. I read your work. Insightful. Naive. But insightful.

CHASE
I'm flattered. Not every girl makes a super-hero's night table.

GORDON
Can we reason with him? There are innocent people in there.

CHASE
Won't do any good. He'll slaughter them without thinking twice.

BATMAN

Agreed. A trauma powerful enough to
create an alternate personality
leaves the victim...

CHASE

...In a world where normal rules of
right and wrong no longer apply.

BATMAN

Exactly.

CHASE

Like you.

(off his look)

Let's just say I could write a hell
of a paper on a grown man who
dresses like a flying rodent.

BATMAN

Bats aren't rodents, Dr. Meridian.

CHASE

I didn't know that. See? You are
interesting. And call me Chase. By
the way, do you have a first name?
Or do I just call you Bats?

Chase looks to Batman for an answer. He's gone.

A titanic BOOM rocks the night.

39E SEARCHLIGHTS race up the bank to REVEAL..

39E

A giant wrecking ball swings again towards the bank
building.

40 INT. BANK OF GOTHAM - NIGHT

40

TWO-FACE

Let's start this party with a bang.

The wall behind Two-Face EXPLODES. Two-Face checks his
watch, unfazed, as the wrecking ball CRASHES into the
room within inches of the villain.

40A A DING from the three elevators.

40A

TWO-FACE

Punctual. Even for his own funeral

40B The Thugs and Harvey whirl, machine guns coming up, open
FIRE, armor piercing bullets punching holes in the metal
doors, shredding anyone inside.

40B

The Thugs close in as the perforated elevator doors slide
open to reveal... empty shafts.

40C Suddenly Batman flies out from the middle shaft, feet first, sending the Thugs scattering. 40C

Batman's hands cross to his utility belt. One hand draws a BATGUN, fires a mass of hyper-adhesive BAT-GOO onto the first two villains' feet, sending them sprawling. The other hand delivers a BAT-BOLO on the closing third Thug, its tiny, whirling cables circling the villain.

Batman kicks Thug Four once in the stomach, twice in the head, grabs the stunned villain's hand and shoves his fingers into the bullet holes in the jerking elevator door, securing him there, jerks up the Thug's free arm and clotheslines a rapidly closing Thug five.

Down the hall, a final Thug unfolds his arms to reveal two lethal, spike covered gloves. He barrels SCREAMING towards Batman. Batman holds his ground. A heartbeat before contact, Batman side-steps, the villain hurling past and plummeting down the empty elevator shaft behind.

40D BATMAN-POV- Two-Face is disappearing fast down the hallway. Batman gives chase, racing into... 40D

40E SAFE AREA 40E

Empty save the safe, it's door wide. Inside the vault, a bound and gagged Guard MUMBLES in desperate incoherence.

41 INT. -SAFE 41

Batman ENTERS the narrow vault. The GUARD'S MUMBLES have become ever more desperate. Batman frees his hands, tears the tape off his mouth.

GUARD

It's a trap!

Suddenly the safe door SLAMS SHUT. Harvey's VOICE issues from a speaker hidden in the vault.

TWO-FACE (OVER)

Good evening Mr. Bat. Your mission, should you choose to accept it --or not-- is simple. Die!

Batman and the Guard are hurled to the floor as the safe jerks forward, begins to move.

42 EXT. SAFE 42

Chains yank tight, dragging the safe across the floor towards the hole in the wall. Follow the chains out and up the building's side, revealing...

42A A Blackhawk helicopter above the bank tower's roof, REVING its mighty rotors. A giant winch hauls the safe 42A

chain over pulleys towards a waiting cargo hatch.

43

INT. HELICOPTER

43

Harvey speaks into a mike as the pilot REVS the bird.

TWO-FACE

Happy anniversary! And for your
dying pleasure, we're serving the
very same acid that made ours truly
the men we are today.

43A

INT. -SAFE

43A

Small wall-spigots begin spitting boiling, red acid.

44

EXT. BANK

44

The safe is dragged out through the hole in the building,
falls, then jerks taught on the chain.

TWO-FACE (OVER)

Two years ago tonight, you abandoned
us to that madhouse!!!

45

INT. SAFE

45

More boiling, red acid.

46

INT. HELICOPTER

46

TWO-FACE

When we open this safe, we'll have
all we ever wanted. Enough cash to
open a mint, And you. Dead.

47

INT. SAFE

47

Acid hits the metal floor, smokes and HISSES.

BATMAN

Know the combination?

GUARD

No. Don't you got a bat-something in
that belt to blow the door?

The guard scrambles up cash drawers, his head bent
against the ceiling. He's gained a few inches over the
HISSING flood filling the safe floor.

BATMAN

Acid's Flammable. We'd incinerate.

Batman steeples his legs, feet pressing opposite walls
before the safe door, giving him some elevation. Acid
burns his cape.

BATMAN
I need to borrow this.

Batman grabs the guard's hearing aid, holds it to the door, begins working the combination as the acid rises.

48 EXT. SAFE 48

Ascending fast now against the tall skyscraper.

49 INT. SAFE 49

Batman works the combination, the acid higher, burning the soles of his boots.

TWO-FACE (OVER)
Once we were allies, bound by a
passion to fight evil.

The guard wipes beading sweat from his forehead. His glasses fall, turn molten in a heartbeat.

TWO-FACE (OVER)
Know what I've learned, Bat, old
pal? Passion burns.

The sprays turn to geysers, the safe flooded with acid.

TWO-FACE (OVER)
Burn, batty, burn.

49A The final tumbler CLICKS open. Batman throws open the vault. He grabs the door jamb in one hand the Guard in the other and swings out onto the safe's top just as a flood of HISSING acid streams past below his feet. 49A

50 EXT. SAFE 50

Batman and the Guard have ridden the safe almost to the top of the bank tower.

50A Batman FIRES a Batarang into the bank wall, making an anchor, attaches the Bat-cable to the safe. 50A

50B He palms his utility Belt and a laser torch SNAPS into his glove. 50B

50C Batman reaches up, grabs the chain with his free hand. 50C

BATMAN
Hang on!

GUARD
What?

50D Batman hits the chain just above the safe with the flare torch. A tiny nova and the links there are vaporized. Batman flies up with the chopper as... 50D

51 THE SAFE 51

now freed, swings like a pendulum on it's anchor line, carrying the Guard as it arcs straight for the hole in the bank wall from which it was originally drawn.

52 INT. BANK BUILDING 52

The safe and Guard come flying through the hole, sliding across the floor and SLAMMING back into place before the bewildered faces of the investigating SWAT TEAM, Commissioner Gordon, and Chase.

53 EXT. HELICOPTER 53

In mid-air, Batman scrambles fast up the dangling winch chain towards the open cargo hatch.

54 INT. HELICOPTER - NIGHT 54

Two-Face stares out the side of the chopper, furious. He draws his guns.

TWO-FACE
Gonna punch some nice holes in him
the fish can swim through.

He flips his coin. Clean side up. Suddenly holsters his weapons.

TWO-FACE
On **second** thought, bullets are far
too crude. The bat wants to play?
Fine, we'll play.

55-95 OMIT 55-95

96 Two-Face grabs the controls from the pilot, pulls back on the throttle, the chopper shooting straight up into the night sky like a rocket. 96

96A EXT. GOTHAM SKY - NIGHT 96A

Batman hangs from the chain, trailing the chopper, a wing of shadowy quicksilver disappearing into the night.

96B INT. CHOPPER 96B

TWO-FACE'S POV - THROUGH THE WINDSHIELD

Over Gotham Harbor a giant sign: Welcome To Gotham City.

97 Harvey GUNS the chopper's engines. 97

PILOT
Face!!!

98 EXT. GOTHAM SKY 98

The chopper BLOWS straight through the nova, neon stars
EXPLODING in all directions. *

99 INT. HELICOPTER 99

As the Pilot, in the b.g. regains control of the chopper,
Harvey walks to the hold, looks down through the hatch at
the dangling chain below. No Batman.

TWO-FACE
Goodbye to that pointy eared,
steroid eating, rubber suited, ^{CROSS}
dressing, night rat... *

100 THROUGH THE WINDSHIELD 100

a familiar black cape falls down over the plexi-glass.

PILOT
Uh..Face. *

Harvey spins, draws his machine pistol. *

PILOT
No!

Too late. Harvey SPRAYS wildly, blowing holes in the
windshield and Pilot as well.

101 WINDSHIELD 101

The cape is gone.

102 INT. HELICOPTER 102

The Chopper dives. Two-Face staggers toward the pilot's
chair. He rests free the corpse, regains control.

A FIST

SMASHES through the side window into Harvey's jaw.

BATMAN
Harvey you need help. Give it up.

103 EXT. HELICOPTER 103

Batman stands on one of the struts, begins trying to
climb into the open side of the speeding bird.

TWO-FACE

We need help? Looked in the mirror,
recently?

Harvey SLAMS Batman's face with his foot. He goes down.

TWO-FACE

Mano a Mano a Bato.

Batman pulls himself back up. Grabs Harvey's foot. Flips him to the floor. Drags him half way out of the bird. The two fight.

TWO-FACE

Dark Knight. Dead Knight sounds more
to my liking.

BATMAN

Surrender.

TWO-FACE

Two years in Arkham Asylum planning
your demise. There's only one way
out of this waltz. One of us dies.

BATMAN

I won't kill you, Harvey.

But Batman's actions say quite the opposite. He gets Harvey by the throat. Fingers squeezing tight. Lethal.

Harvey struggles a beat. Then he begins to laugh.

TWO-FACE

Batman doesn't kill? What's that
homicidal gleam in your eyes? That
lethal curl of your lip? Oh, too
good to be true. A bat with a taste
for blood. We're just the same.
(epiphinous)

You're a killer too.

Somehow Harvey's words seem to shake Batman a beat. It's all the distraction Harvey needs. He SMASHES Batman across the face.

Batman slips, falls out of sight. Harvey looks up.

TWO-FACE

Hello, my lovely. Ready for your
face lift?

104 WINDSHIELD- CLOSE. Lady Gotham is coming up fast. 104

105 EXT. HELICOPTER 105

Batman hangs by one hand from the support strut, the bird hurling towards the giant statue.

106 INT. HELICOPTER 106

TWO-FACE

Let the world be made new...

Harvey locks "The Club" onto the controls, fixing the chopper on it's deadly course.

TWO-FACE

...In our split image.

107 Batman hoists himself into the chopper through the open side in time to see Harvey standing over the cargo hatch. 107

TWO-FACE

This time, have the good taste to die.

With that Harvey leaps through the cargo hatch.

108 Batman stares frozen in disbelief as Two-Face plummets to the dark water below. 108

109 Then a sudden flurry of expanding color caught in Lady Gotham's lighthouse beam, and a parachute opens over Two-Face, unfolding into a giant Yin-Yang. 109

110 BATMAN-POV - The windshield SHATTERS into the statue. 110

111 EXT. HELICOPTER - LADY GOTHAM - NIGHT 111

The helicopter EXPLODES into the left side of Lady Gotham's face. A tremendous fireball splits the night.

112 EXT. GOTHAM SKY - NIGHT 112

Batman is falling. Still. Eyes closed. ~~Maybe dead.~~

FLASHES OF

112A IN LIMBO, a single streetlight. Thomas and ~~Martha~~ Wayne are shot dead. Young Bruce watches on. 112A

113 ROSES fall from a woman's hand onto the pavement. 113

114 A BOY runs through a storm, a book clutched in his hands. 114

115 A FALL down a narrow stone chute, into a cave. 115

116 A BAT, huge, evil, SCREECHING. 116

TWO-FACE'S WORDS (OVER) - "YOU'RE A KILLER TOO."

117 BATMAN FALLING - CLOSE 117

Batman plummets towards the water. His eyes open.

118 EXT. - GOTHAM HARBOR (CONTINUOUS) 118
Batman SPLASHES into the harbor. Dark. Still.
Then, a familiar cowl breaks the surface, GASPING for
breath. Batman stares up at the sky.

119 PAN UP 119
Lady Gotham's once beautiful face now burns the night.

120 INT. WAYNE ENTERPRISES - NIGHT 120
Dark, save the light from a single cubicle.

121 INT. EDWARD'S WORK STATION - NIGHT 121
Edward sits hunched over his desk, working furiously on
the Flash-Gordon headband attached to his invention.
Sweat beads his brow, lips MUMBLING furiously.

EDWARD
(obsessive repetition)
Too many questions. Too many
question marks.

Edward glances up at the picture of Bruce Wayne.

EDWARD
I'll show you Bruce Wayne.

STICKLEY (O.S.)
What the hell is going on here?

Stickley stands before Edward's cubicle. Not happy.

STICKLEY
I told you your project is
terminated. I'm calling security.

Stickley turns to go. Mistake. Edward CRACKS Stickley on
the head with a coffee pot. Down he goes.

EDWARD
Caffine'll kill you.

122 INT. EDWARD'S CUBICLE- MINUTES LATER 122
Stickley awakens to find himself strapped in a swivel
chair. Edward has donned one of the Flash Gordon
headbands. He places the other atop Stickley's head.
(OVER) the TV monitor runs a fishing show.

EDWARD
This won't hurt a bit.
(musing)
At least I don't think it will...

Edward reaches for a toggle on the power source.

STICKLEY

Nygma, you press that button and-

123 Too late. A green glow emanates from the TV screen, 123
engulfing Stickley.

124 IN THE GLOW- a small holographic representation of the 124
fisherman reeling in a prize bass.

125 STICKLEY-POV- The fisherman's catch flapping in his face. 125

126 The figures begin to waver and tremble. 126

EDWARD

Losing resolution. More power.

He throws a switch. OVERLOAD. A white beam explodes from the TV, into Stickley's headband, then backfires through the machine into Ed's headband.

Both men SCREAM.

STICKLEY-CLOSE. His eyes dull, glaze over.

EDWARD-CLOSE. The effect here seems quite the opposite. Invigorating. Sexual. Look into his eyes. One thing is sure. Edward Nygma has gone power mad, totally insane.

EDWARD

(game show host)

Ed Nygma, come on down. You're the next contestant on Brain Drain. I'll take what's inside thick skull number one. What have we got for him, Johnny?

(hyper)

Stickley, I've had a breakthrough! And a breakdown? Maybe. Nevertheless. I'm smarter. I'm a genius. No, several geniuses. A gaggle. A swarm. A flock of freaking Freuds. Unt I am experiencing a saturation of the cerebrum.

(short order cook)

Yo. Charlie. Gimmie an order of brain-fry. Extra well. Hold the neurons.

(pacing)

Riddle me this, Fred. What is everything to someone and nothing to everyone else? Your mind of course. And now mine pumps with the power of yours.

(singing)

I'm sucking up your I.Q. Vacuuming your cortex. Feeding off your brain.

(british)

Fred, I must confess you were a

EDWARD (cont'd)
wonderful appetizer. Simply divine.
But now I yearn for a meal of
substance. The main course. A wide
and varied palette. Ah, to taste the
mind of a hero. A nobleman. A poet.
Einstein in a Jungian sauce with a
dash of Neitzshe on top.

He turns it off. The white beam shorts, sputters, goes
out.

EDWARD
What a rush.

STICKLEY
(eyes focusing)
What the hell just happened?

EDWARD
A surprising side effect. While you
were mesmerized by my 3D TV, I
utilized your neural energy to grow
smarter. And yet, now that my beam
is off, your intelligence -- as it
were -- has returned to normal with
no memory of my cerebral siphon. I
am a Columbus of the mind. Land Ho!

STICKLEY
Bruce Wayne was right, you demented,
bizarre, unethical toad. It is mind
manipulation. I'm reporting you to the
FCC, the Human Experimentation Board,
the AMA, the police, the federal
government. You're going up on charges,
to court, to jail, and then to a mental
institution for the rest of your
twisted, little life. But first and
foremost, Nygma, you are fired!! Do
you hear me? FIRED!!!

EDWARD
I don't **think** so.

Edward savagely sends Stickley careening across the slick
floor, still strapped to the swivel chair. The chair...

129A

Edward seems like he has regrets as he dashes after
Stickley. But it is really only the headband Edward came

129A

to save.

130 EDWARD 130
Fred. Babe. You are fired. Or should
I say Terminated!

Ed yanks the invention from Stickley's head and he
crashes below to certain death. He races back to...

131 EDWARD'S CUBICLE 131

EDWARD
Question marks, Mr. Wayne?

He stands staring at the picture of Bruce Wayne.

EDWARD
My work raises too many questions?

In a frenzy, Edward begins tearing Bruce's images off his
wall.

EDWARD
Two years. 3.5762 percent of my
estimated lifespan toiling for your
greater glory and profit.

He SMASHES the framed GQ cover of Bruce on the floor,
begins STOMPING the picture, pulverizing the glass.

EDWARD
Well, let **me** ask **you** some questions,
Mr. Smarter Than Thou. Why are you so
debonair? Successful? Richer than God?
Why should you have it all and not me?

Edward looks up at a surveillance camera.

THROUGH THE SURVEILLANCE CAMERA as Edward reaches for the lens.

EDWARD
Yes, you're right, there **are** too many
questions, Bruce Wayne. Here's a good
one. Why hasn't anybody put you in your
place? And it's time you came up with
some answers. Starting right now!

Edward's face and hands fill the FRAME. Blackness.

132 (OVER) A SCREAM. SHOTS. Roses fall to the pavement. 132

133 A YOUNG BOY stands staring into Wayne Manor living room, 133
a wake in progress. Two coffins rest amidst the mourners.
Thomas and Martha Wayne. Dead leaves whip across the
floors.

- 134 SMALL HANDS touch a leather bound book. Wind blows out two flickering candles. 134
- 135 THE BOY runs through a dark, stormy night, the book clutched in his hands. He slips. A sinkhole. 135
- 136 A FALL down a narrow chute. The boy lands in a dark cave. 136
- 137 A GIANT MONARCH BAT, fangs bared, SCREECHES towards us. 137

TWO-FACE (V.O.)
You're a killer too.

- 138 INT. WAYNE MANOR - BRUCE'S BEDROOM - MORNING 138

In his bed, Bruce wakes, trying to blink away the images. Alfred draws the curtains, welcoming rich autumn sun.

ALFRED
Dreams, sir?

BRUCE
(lying)
No time for dreams.
(rising)
Status?

ALFRED
The Batcomputer has been scanning the Emergency bands all night. No sign of Two-Face. He's disappeared.

BRUCE
He'll be back. Did you get those file tapes from Arkham Asylum?

ALFRED
In the player, sir, and ready.
(off a fresh set of bruises)
What a marvelous shade of purple. Really, if you insist on trying to get yourself killed each night.

Alfred picks up Bruce's carelessly-tossed Batsuit from the floor. Ripped, dented, punctured.

ALFRED
...Would it be a terrible imposition to ask you to take better care of your equipment?

BRUCE
Then you'd have nothing to complain about.

ALFRED
Hardly a worry, sir.

Bruce flips on the TV, runs the video tape.

BRUCE
Come on Harvey. What's on those
twisted minds of yours? Where are
you going to strike next?

TV-CLOSE. A VIDEO CASE FILE ON TWO-FACE.

TWO-FACE
(in straight jacket)
...I'll find a land where light is
shadow and freaks are kings.
(smiles)
You're a killer too, Bruce.

BRUCE - CLOSE. Stunned. Reverses on his remote, replays the image

TWO-FACE
...a land where light is shadow and
freaks are kings.

Harvey stops, his accusation only in Bruce's mind. Bruce blinks
away the vision, flips to the TV news, Lady Gotham in the b.g..

NEWS EDITOR
The city should charge Batman with
felony landmarks destruction. His
vigilantism is a plague on Gotham.

Bruce has moved to a high-tech workout machine.

WORKOUT MACHINE
Good morning, Mr. Wayne. Select
difficulty level.

BRUCE
Bruce, please. Maximum resistance.

Bruce begins working out as the screen changes, running a
file interview with Chase.

BRUCE
You know what she said to Batman
last night? She practically accused
him of being crazy.

ALFRED
Sir, you are a good man. A brave man.
But you are not the most sane man.
Perhaps the lady is just what the
doctor ordered. She seems lovely...

BRUCE
Alfred, why did I become Batman?

ALFRED

To avenge your dear parents. To protect the innocent -

BRUCE

To fight crime, of course. But there's something else... What was I doing outside the night of my parents' wake? What sent me running into the storm?

ALFRED

I don't know. Such tragic loss. Rain fell like tears.

BRUCE

I remember racing through the fields. Falling into the cave. The bat chasing me. Those fangs. That breath. But there was something else. Something I was running from. I just can't remember -.

The phone RINGS. Alfred answers.

ALFRED

Wayne Manor. ...It's Commissioner Gordon, sir. There's been an accident at Wayne Enterprises.

Suddenly, the machine shuts down automatically.

WORKOUT MACHINE

Routine terminated. Recommend rest. You need a vacation...Bruce.

Bruce and Alfred exchange a look. One of those days.

139

INT. - WAYNE ENTERPRISES - MORNING

139

As the window is replaced in b.g., Edward Nygma stands SOBBING before the head of personnel. With augmented brain power apparently comes augmented acting talent.

EDWARD

(inconsolable)

Why? Oh, why? I can't believe it! Two years. Working in the same office. Shoulder to shoulder, cheek to cheek, ---we're talking face, by the way---and then this.

(handing her a note)

I found it in my cubicle. You'll find handwriting and sentence structure match his exactly.

(suddenly sobbing again)

I couldn't possibly continue here. The memories. I'll get my things.

140 ANOTHER ANGLE

140

Edward ducks into his cubicle, loads the pieces of his invention into a bicycle and slips out a side door, avoiding Bruce and Gordon.

They pause before a security console. Bruce hits a button.

BRUCE

This is last night's security log.

SCREEN-CLOSE.

Stickley scribbles a suicide note. Then turns, races towards the giant window and leaps, CRASHING, into the night. (OVER) a dwindling SCREAM.

GORDON

Looks pretty cut and dry.

A Cop hands Gordon the forged note.

GORDON

Definitely suicide. Thanks for the help, Bruce. We'll be in touch.

As the Commissioner exits, Bruce heads towards his office, followed by his secretary, Margaret.

141 INT. HALL TO BRUCE'S OFFICE (CONTINUOUS)

141

BRUCE

Make sure Stickley's family is taken care of. Full benefits.

MARGARET

He wasn't on our corporate life insurance policy.

BRUCE

142 INT. BRUCE'S OFFICE (CONTINUOUS)

142

Bruce notices an envelope on his desk.

BRUCE

What's this?

MARGARET
Don't know. Didn't see anyone...

BRUCE
No postmark. No stamp.

Bruce opens the envelope.

BRUCE
(reading)
If you look at the numbers upon my
face, you won't find 13 anyplace.

MARGARET
Say what?

BRUCE
It's a riddle. Numbers upon my face.
One through twelve. No thirteen.
A clock.

MARGARET
Who would send you riddles?

BRUCE
Maggie, **that's** the riddle.

164 INT. POLICE COMPLEX - CHASE'S OFFICE

164

Only half unpacked. Degrees and ink blots on the walls.

In the center stands Chase Meridian, dressed only in her slip. Hands taped, expertly beating a hanging punching bag.

She stops, startled. Their eyes lock, a moment of undeniable electricity.

BRUCE

I guess I'm early. I have an appointment. I'm Bruce Wayne.

CHASE

Good. Then you can afford to buy me a new door.

BRUCE

(off her outfit)

I can come back...

CHASE

No. Turn around.

Bruce obliges. Chase wraps on her skirt, ~~slips~~ on her blouse.

CHASE

Okay.

As Bruce turns, Chase heads towards her desk, untaping her hands. Totally professional. Another woman entirely.

BRUCE

I'm sorry. I thought you were in trouble.

CHASE

(off the bag)

It's therapeutic.

(shaking his hand)

Somehow, I thought you'd be older. How can I help you Mr. Wayne?

BRUCE

Somebody's been sending me love letters. One at my office, one at home. Commissioner Gordon thought you might give me your expert opinion.

Chase opens two riddles before her. The one we've already seen and a second.

CHASE

A clock. But...

(reading)

Tear one off and scratch my head.

What once was red is black instead?

BRUCE

A match.

Chase nods, examines the riddles. Bruce TAPS his fingers absentmindedly as he watches her read.

CHASE

Psychologists make you nervous?

BRUCE

Just beautiful ones.

CHASE

The infamous Wayne charm. Does it ever shut off?

BRUCE

You should see me at night.

CHASE

My opinion. This letter writer is a total wacko.

BRUCE

Wacko? That a technical term?

CHASE

Patient may suffer from obsessional syndrome with potential homicidal styles. Work better for you?

BRUCE

So what you're saying, this guy's a total wacko, right?

CHASE

(a slight smile)

Exactly.

He notices a framed print hanging on the wall. A bat.

BRUCE

You have a thing for bats?

CHASE

That's a rorschach, Mr. Wayne. An ink blot. People see what they want.

Bruce looks up. In fact, just an ink blot. Only he saw a bat within it's bleeding lines.

CHASE

I think the question would be, do you have a thing for bats?

BRUCE

So, this Riddler is dangerous?

CHASE

What do you know about obsession?

BRUCE

A little.

CHASE

Obsessions are born of fear. Recall a moment of great terror. Say you associate that moment with...

(random)

...a bat. Over time, the bat's image penetrates the mind, invades every aspect of your daily life. Can you imagine something like that?

BRUCE

It's a stretch but I'll manage.

CHASE

The letter writer is obsessed with you. His only escape may be to...

BRUCE

Purge the fixation. To kill me.

CHASE

You understand obsession better than you let on.

Bruce lifts a tiny wicker totem doll from the table.

BRUCE

Still play with dolls, Doctor?

CHASE

She's a Malaysian dream warden. Some cultures believe she stands sentry while you sleep and guards your dreams. Silly to you I'm sure -

But Bruce's expression stops her short. He's staring at the dream doll like he sorely needs one.

CHASE

You look so sad... Do you need one?

BRUCE

Me? No. Why would I?

CHASE

You're not exactly what you seem,
are you, Bruce Wayne? What is it you
really came here for?

BRUCE

(checking his watch)

Oops. Time's up.

CHASE

That's usually my line.

BRUCE

Look, I'd love to keep chatting-

CHASE

Would you? I'm not so sure.

BRUCE

But I'm going to have to get you out
of those clothes.

CHASE

Excuse me.

BRUCE

And into a black dress.

Bruce throws her startled expression his best smile.

CHASE

From a fairy tale my mother used -

BRUCE

We've got to get out of here. Now.

183 But before they can move, a new Ringmaster steps into the arena. Two-Face, his evil side obscured by a hanging barker's mike.

183

TWO-FACE

Ladies and gentlemen, please forget all good American, wholesome fun. We are here to bring you absolute chaos and true justice which, my darling ignorant friends, are no more or less than two sides of the same coin. Tonight, a new act for your amusement. We call it Massacre Under the Big Top.

184 His thugs slip out of their clown costumes and seal every exit. 184

185 They pull machine guns. PANIC. SCREAMS. 185

186 TWO-FACE 186
People, people. Show some grace
under pressure. A little decorum,
please.
(revealing his bad side)
SHUT UP OR DIE!!!

187 Thugs move into sentry positions at each section of bleachers. 187

188 TWO-FACE 188
If we may direct your attention...

195 Two-Face shows his evil side. 195

TWO-FACE
Want, Mr. Mayor? Just one little
thing. Batman. Bruised. Broken.
Bleeding. In a word: dead.

Two-Face turns, showing his good side.

TWO-FACE
Who do we have assembled before us?
Gotham's finest. Rich. Influential.
One of you must know who Batman is.
Hell, odds are one of you is Batman.
So, unless the bat is surrendered to
us post haste...
(evil side)
...we're off on a proverbial killing
spree. City-wide mayhem and murder.
Cries of agony and bloody streets.
With all you folks as our very first
corpses to be. You have two -- well
just under two -- minutes.

196 BRUCE, his eyes riveted on the bomb as it rises upward. 196
 No secret is worth innocent lives. He stands.

Chase, misunderstanding, tries to pull Bruce back down.
 Just as he is about to reveal himself...

Suddenly folks jump up, SHOUT and SCREAM, point towards
 the rafters.

197 REVERSE ANGLE 197

The Graysons scale the scaffolding, heading for the bomb.

 Go! We'll hold them off!

Mom, Dad and Chris swing from trapeze to guywire to
 platform, trying to delay the Thugs who are actually
 well-trained gymnasts.

200 Dick launches himself from trapeze to trapeze, bounces 200

 Show's over.

A punch and the guy is out. Bruce starts for Two-Face.
 Another Thug springs up before him, blocking his way.

218 Two-Face stares up at the dangling Graysons. He reaches 218

 222 MOM spots the pointing gun far below. She SCREAMS. 222
 223 BRUCE races for the aiming Two-Face. Almost there. 223

Another Thug hits him broadside, knocking him flat.

224 TWO-FACE FIRES. Twice, the first bullet cutting, the 224

TWO-FACE

The greatest show on earth.

226-227 Two-Face disappears down the tunnel. Bruce struggles 226-227

231 EXT. HIPPODROME ROOF - CONTINUOUS - NIGHT 231

 towards the harbor below.

232 THE BOMB hits the water. Sinks. A beat. The night is 232
 spilt by a funneling EXPLOSION.

233 INT. HIPPODROME - NIGHT 233

Dick swings down onto the catwalk. He freezes at the
 rail.

DICK

No!!!!

DICK-CLOSE. On his face, his life's end.

234 DICK'S POV -- STRAIGHT DOWN 234

The dead bodies of his mother, father and brother. Bruce
 Wayne stands over them, looking up at the boy.

235 BRUCE-CLOSE. His face a tragic echo of Dick's pain. 235

236 EXT. - WAYNE MANOR - NEXT AFTERNOON 236

A police car heads towards the manor. Dick Grayson, pack
 on his back, winds his motorcycle behind the cruiser.

Bruce comes out to greet Gordon. Dick, slightly awestruck, dismounts, wanders into the house.

GORDON

It's good of you to take him in.
He's been filling out forms all day.
He hasn't slept or eaten.

Bruce nods, watches Gordon drive off. Heads into...

237

INT. WAYNE MANOR FOYER - LATE DAY

237

As Bruce ENTERS through the open door, Alfred arrives from the other direction.

ALFRED

Welcome, Master Grayson. I'm Alfred.

DICK

How ya doin', Al?

ALFRED

(mouthing)

Al?

BRUCE

We prepared a room for you upstairs.
But maybe you'd like to eat first.

*
*

238-239

But Dick isn't listening, stares instead over Bruce's shoulder as Gordon's cruiser disappears.

238-239

DICK

Okay. I'm outta here.

BRUCE

Excuse me.

DICK

I figure telling that cop I'd stay here saved me a truckload of social service interviews and good will. So no offense but thanks. See ya.

Dick heads towards the door. Bruce signals Alfred silently, then follows the boy outside.

239A EXT. WAYNE MANOR - (CONTINUOUS)

239A

BRUCE

Where will you go? The circus is
halfway to Metropolis by now.

DICK

I'm going to get a fix on Two-Face.
Then I'm going to kill him.

BRUCE

Killing Two-Face won't take the pain
away. ...It'll make it worse.

DICK

Look, spare me the sermons, okay. I
don't need your advice. Or your
charity.

BRUCE

Nice bike.

Dick looks him up and down. Skeptical.

DICK

You a big motorcycle fan, Bruce?
Hang at a lot of biker bars?

BRUCE

I know a little about bikes.

Dick mounts his hog. Bruce eyes the gas gauge. Empty.

BRUCE

Well, good luck. Oh, you might want
to fill up in our garage. No gas
stations for miles.

Dick stares at him a beat. Then shrugs. What the hell?

239B INT. WAYNE MANOR - GARAGE - DAY

239B

Your basic five car garage. The giant door rolls up to
reveal five vintage automobiles. Rolls. Bentley.
Spider...

DICK

Oh, man!

BRUCE

Pump's this way.

Dick follows Bruce past the cars. His eyes grow wide.
Before him, another collection of vintage craft. Bikes.

DICK

That's a BMW 950. A Kawasaki Razor.
And that's a Harley Mongoose.
(in awe)

DICK (cont'd)
I think they only made ten.

BRUCE
Seven, actually. She's our pride and joy. Doesn't run though.

DICK
Probably the gear box. They were touchy. And sometimes the fuel caps carbonize.

BRUCE
I've been looking for someone to restore these. Hell, someone gets these going, he could take any bike he wanted as a fee. Plus room and board while he worked on them. Too bad you're not staying around. Anyway, have a good trip.

Just then Alfred appears with a tray. Rare London broil. Baby potatoes. Fresh greens. An aromatic feast.

ALFRED
Oh, is the young master leaving? Pity. I'll just toss this away then. Perhaps the dogs are hungry-.

Alfred turns, heads into the house. Dick stares after him, hungrily. Looks to the bikes.

DICK
Maybe just a couple days. Get these babies purring. Yo, Al, hold up...

Dick grabs his knap-sack and follows Alfred. Bruce smiles.

240 INT. WAYNE LIBRARY - DUSK

240

Bruce touches a vase of fresh roses. Stares at framed photos of Thomas, Martha, of himself, younger. Happy. With no knowledge of the future. (OVER) two GUNSHOTS.

241 He turns. Two coffins. The room is filled with mourners. Bruce is a boy once more.

241

There on the desk. A leather bound book. (OVER) THUNDER CRACKS.

242 THE FRONT DOOR flies open. An evil wind whips the house.

242

243 THE BOOK lies opens on the desk. Pages fly.

243

244 THE WINDOW explodes, shattering glass, and out of the darkness flies a huge, evil bat.

244

ALFRED (OVER)

Master Bruce?

245 Bruce is sitting in a chair, holding a rose, head down, the images only flashes of memory. Night has fallen. He looks up, eyes red. 245

BRUCE

Just like my parents. It's happening again. A monster comes out of the night. A scream. Two gunshots. I killed them.

ALFRED

What did you say?

BRUCE

He killed them. Two-Face. He slaughtered that boy's parents.

ALFRED

No. You said I. I killed them.

Suddenly a light through the window illuminates their faces.

246 THE BAT SIGNAL beams in the sky. 246

BRUCE

Take care of the kid.

247 INT. DICK GREYSON'S BEDROOM 247

Dick stands staring out the window as Alfred KNOCKS, ENTERS.

ALFRED

Can I help you settle in, young sir?

DICK

No. ...Thanks. I won't be here long.

Alfred lifts Dick's motorcycle helmet, turns it over in his hand.

ALFRED

A robin?

DICK

My brother's wire broke during a show. I swung out, caught him. Afterwards my father called me his hero, said I flew like a robin. ...Some hero I turned out to be.

ALFRED

Ah, but your father was right, young man. You are a hero, I can tell. Broken wings mend in time. Perhaps one day Robin will fly again.

Alfred EXITS. Dick opens his knapsack, a newspaper (TWO-FACE SLAYS 3 AT CIRCUS), other clippings of Two-Face spill onto the bed. Dick stares at these signs of growing obsession, pain turning to rage.

249 EXT. GOTHAM CITY STREET - NIGHT

The Batmobile speeds away into the city. CAMERA RISES through a sculpted arch, finds the Batmobile whipping up spiraling bridgeways towards the Batsignal above.

250 EXT. POLICE HEADQUARTERS ROOF - NIGHT

A giant spotlight, beaming the Batsignal on the fast night clouds. Batman leaps from a neighboring roof to find no one. Just the huge light and the city wind.

BATMAN

Commissioner Gordon?

A shadow appears from behind the searchlight. Chase.

CHASE

He's at home. I sent the signal.

BATMAN

What's wrong?

CHASE

Last night at the circus. I noticed something about Dent. His coin. He's obsessed with justice. It's his Achilles' heel. It can be exploited.

He steps close to her. Intimidating.

BATMAN

You called me here for this? The Batsignal is not a beeper.

Instead of backing off, Chase moves towards him.

CHASE

I wish I could say my interest in you was purely professional....

BATMAN

Are you trying to get under my cape, Doctor?

CHASE

A girl cannot live by psychoses alone.

BATMAN

It's the car, right? Chicks love the car.

CHASE

What is it about the wrong kind of man? In grade school it was guys with earrings. College, motorcycles and leather jackets.

Chase is right up against him. She runs her fingers along the outline of Batman's mask.

CHASE

Now black rubber.

BATMAN

Try a fireman. Less to take off.

CHASE

I don't mind the work. Pity I can't see behind the mask.

Batman stills her hand.

BATMAN

We all wear masks.

CHASE

My life's an open book. You read?

BATMAN

I'm not the kind of guy who blends in at a family picnic.

CHASE

We could give it a try. I'll bring the wine, you bring your scarred psyche.

BATMAN

You are direct, aren't you?

CHASE

You like strong women. I've done my homework. Or do I need skin-tight vinyl and a whip?

Their bodies are close.

BATMAN

I haven't had much luck with women...

CHASE

Maybe you just haven't met the right woman...

*
*
*

Their mouths are close. Suddenly Commissioner Gordon, trench-coat over pajamas, rushes onto the roof.

GORDON

I saw the beacon. What's going on?

BATMAN

Nothing... False alarm.

CHASE

Are you sure?

251 Batman dives from the building and leaps into the Batmobile.

TWO-FACE-CLOSE

TWO-FACE

The bat's stubborn refusal to expire
is driving us insane.

Harvey sticks a cigarette into the right side of his mouth. A delicate hand offers flame from a silver lighter.

PULL BACK TO REVEAL...SUGAR, a submissive blonde in Victoria's Secret's lacy best standing over a rolling, cloth-covered table bearing closed silver service, white, hand-tapered candles.

Harvey shoves a cigar in the left side of his mouth. Another female hand lights it with a blow torch.

CONTINUE BACK TO REVEAL...SPICE, ruby lipstick, tight leather outfit. Spiked heels. Standing over a rolling table of her own. Butcher block, a pit of coals searing a twitching lobster.

CONTINUE BACK TO REVEAL the entire room. Long, narrow, split down the middle. One half is light and order. The other looks like an S&M club. Harvey rises, escorts Sugar as she rolls her table towards the front of the room.

SUGAR

I've prepared your favorite, mon
chere. Quail eggs and aspic.

TWO-FACE

(lighting the candles)
Light to shine as your beauty does.
(opening a tray)
Foie gras. Excellent.

SPICE (OVER)

Liver. Don't make me puke.

Harvey steps over the line to Spice's side, walks with her.

TWO-FACE

Trollop.

SPICE

Scold me again.

TWO-FACE

No.

SPICE

(hot)
Sadist.

He lifts a flagon from her rolling table, gulps back liquid, some spilling into the fire pit and bursting into flame. The girls roll the tables together, Harvey sits at the head, split down the middle.

VOICE IN THE DARK

I hope you made extra.

Harvey shoves the tables flying, is up fast, both guns pointing at a mysterious silhouette standing in the dark.

TWO-FACE

Who the hell-.

VOICE IN THE DARK

Just a friend. But you can call me...

(stepping forward)

...The Riddler.

A new costume, lime green, covered with question marks, an emerald eye mask, derby and cane.

Harvey tosses the girls his guns, grabs Riddler, rushes him hard into the wall.

TWO-FACE

We'll call you dead, more like it.
How'd you find us? Talk.

RIDDLER

Ah, I think not my twinned pals.
then what would keep you from slaying me?

TWO-FACE

You got sixty seconds to spill how you tracked us here. After that, you'll beg for bullets.

RIDDLER

Has anyone ever told you you have a serious impulse control problem?
Alright, alright, I'll talk.

(slithering free)

I simply love what you've done with this place. Heavy Metal with just a touch of House and Garden.

(crosses to Spiceland, snaps on a TV)

It's so dark and Gothic and disgustingly decadent...

(to Sugarland, snaps on a TV)

Yet so bright and chipper and conservative!

(to "bad" side)

It's so you.

("good" side)

And yet so you!

(touching his suit)

Very few people are both a summer and a winter. But you pull it off nicely.

TWO-FACE

Show's over. Let's see if you bleed green.

Two-Face grabs his guns, shoves them into Edward's face, one to each nostril.

RIDDLER

Alright. Go ahead. Fire away. But before you do, one question. Is it really me you want to kill?

The Riddler knits his thumbs together, waves his hands over an exposed light bulb, making, on the wall, the shadow of a bat.

RIDDLER

Do you know about hate, my dual visaged friend? Slow, burning hate that keeps you sleepless until late in the night, that wakes you before dawn. Do you know that kind of hate? I do.

(circling Harvey)

Kill him? Seems like a good enough idea. But have you thought it through? A few bullets, a quick spray of blood, a fast, thrilling rush, and then what? Wet hands and post-coital depression. Is it really enough? Why not ruin him first? Expose his frailty. And then, when he is at his weakest, crush him in your hand.

255 Riddler presses a stud on his cane and Sugar and Spice are suddenly fixed to their TV's by the green glow of the Box. White brain drain beams shoot from each box into their foreheads.

255

Riddler holds his receiver out to Harvey.

RIDDLER

This is how I found you. Take a hit and see. It makes you smarter.

(taps his forehead)

Uuuup.

A beat. Then Harvey tentatively raises the receiver to his skull. Harvey is blasted with a dose of Sugar and Spice's neural energy.

TWO-FACE

...You correlated all dualities in the city, orders of half and half pizzas, wine splits, two-toned clothing, cross referenced all addresses with multiples of two, crunched the probabilities by bi-

TWO-FACE (cont'd)
coastal, bi-zonal localities,
leading you...here. Holy shit.

RIDDLER
So not everyone can be a poet.
Still, I respect the sentiment.

Riddler turns to the mesmerized Sugar and Spice.

RIDDLER
This is your brain on The Box.
(to Harvey)
This is your brain on their brain.

He pulls away Harvey's receiver, takes a hit himself.

RIDDLER
This is my brain on their brains
after your brain. Does anybody else
feel like a fried egg?

Harvey's eyes focus. He grabs for the receiver.

TWO-FACE
More...

RIDDLER
Oh, there's more. But only the first
one's free. Here's the concept,
counselor. Crime. My I.Q., your AK-
47. This is the bargain: you will
help me gather production capital so
I can produce enough of these...
(pulling a Box
from his vest)
to build an empire that will eclipse
Bruce Wayne's forever. And, in
return I will help you solve the
greatest riddle of all. Who is
Batman? Then we'll find him and kill
him.

Two-Face eyes Riddler, interest dawning.

TWO-FACE
You are a very strange person, a
distinction we do not level lightly.
You barge in here unarmed when it is
clearly suicidal to do so. You speak
to us as if we were old friends,
which we are not. Still, an
intriguing proposition.
(pulling his coin)
Heads: we take your offer.

He rests the barrel on The Riddler's temple.

TWO-FACE

Tails: we blow your goddamned head
off!

256 FOLLOW THE COIN

Two-Face grabs the entire palette, pours the diamonds into a loot bag, heads towards another counter.

Bruce sits at a desk cluttered with unread memos and reports, comparing Riddles left at the crimes to those sent to Bruce Wayne. Bruce covers the pages as Margaret ENTERS, drops a small red leather tome on his desk. The book from his dreams.

What the hell?

He looks again. No book at all, just another pile of reports. Margaret stares at him, puzzled. Not a little concerned.

DICK

How come this is the only locked door around this museum? What's back there?

That's what you said about the Batmobile.

Bruce scans the latest riddle, comparative forensic data coming up on his screen.

BRUCE

No, Alfred. That's the answer to the riddle. Chess pawns.... A clock. A match. Pawns. All physical objects. Man made....

ALFRED

Small in size. Light in weight.

BRUCE

Time. Fire. Battle strategy. What's the connection?

ALFRED

With all due respect, sir. I think that's why they call him the Riddler.

CHASE

Thanks for dinner.

BRUCE

Listen, I appreciate your advice on Dick. Can I buy you a hospital wing or something?

(looking around)

Who's your decorator? 'U-Haul?

CHASE

Sorry. I haven't even had time to unpack. Instant coffee okay?

Chase disappears into the kitchen as Bruce takes off his coat. She reappears with a small box. Hands it to him.

BRUCE

What's this?

Bruce opens the box. Within, a dream doll.

CHASE

Call it clinical intuition. I thought your dreams might need changing.

Bruce looks at Chase. He stares out the window a beat, deciding, self disclosure difficult for him.

BRUCE

My parents were murdered. In front of me. I was just a kid.

Chase nods, taking in the information.

BRUCE

I can't remember exactly what happened. I get flashes. In my dreams. I'd gotten used to them. But now there's a new element. One I don't understand. A book. Leather...

CHASE

There's something else.

BRUCE

The dreams have started coming when I'm awake.

CHASE

Bruce, you're describing repressed memories. Images of some forgotten pain trying to surface.

(OVER) The kettle begins to WHISTLE.

CHASE

Damn. Wait. I'll be right back.

Bruce is agitated, looks around. At her desk he finds a virtual shrine to Batman. Articles. Newsphotos. Chase returns.

CHASE

Bruce turns, a file on Batman in his hand

BRUCE

Why do I feel like the other man, here, doctor?

CHASE

Please, Bruce, don't change the subject. I want to help -

BRUCE

I'd say all this goes a little beyond taking your work home.

CHASE

BRUCE

Look at the abuse he's taking. He's not just fighting crime.

Bruce hits a key, blanking the screen.

BRUCE

So, Batman just had a lousy childhood, that it Doc?

Chase grabs his hand as it comes away from the keyboard.

CHASE

Why do you throw up that superficial mask? I want to be close but you won't let me near. What are you protecting me from?

GANG LEADER
Chill, dudes, It's Batman.

GIRLS
Hi Batman.

The cockpit opens revealing Dick.

DICK
Ladies, ladies, careful with the car.

GIRL#1
That's not Batman.

GIRL #2
That's Batboy.

GIRL#3

GIRL#4

GIRL #2
Can I sit on your lap?

The Gangleader and the Gang has been watching.

GANG LEADER

It ain't the bat.

306 (OVER) A SCREAM cuts the night as the girl breaks free,
races into a dark alley, chased by SIX GANG MEMBERS.

306

Dick hears the scream he drops down in the seat and The
Batmobile TEARS after her.

307 EXT. ALLEY - NIGHT

307

The Gangmembers have the Girl surrounded. The Batmobile
SCREECHES into the alley. From the smoking hatchway emerges
Dick.

DICK

hey! Let her go.

The Gang ooohs and aaahs.

GANG LEADER

Who the hell are you?

DICK

(low, ominous)

I'm Batman.

(the Gang laughs)

So I forgot my suit alright.

The Gangmembers close. One rushes Dick with a knife. Dick
kicks him in the stomach. He goes down. Another Gangmember
comes at him from behind. He kicks him also. A third guy
comes at him with an axe handle from the side. Dick grabs
him and flips him.

Dick takes the axe handle and swings it taking out the first
2 Gangmembers who have risen a second time (the ones that he
kicked).

Another rushes him with a glowing staff. He blocks his swing
with an axe handle and then swings and smashes Willie. He
blocks another strike from Don Quan.

Pete comes at Dick with two glowing sticks. dick ducks and
comes back up with a side kick knocking him down.

Don Quan comes at him with an overhead strike on the staff. He blocks it . But Don Quan knocks the axe handle out of Dick's hand. He then swings for Dick's head. Dick goes down and leg sweeps Don Quan knocking him down.

The Gang member with the mohawk swings a bat at Dick's head. He does a high kick knocking him down. Another gangmember comes at him swinging a chain. Dick does a front flip and then a back flip to avoid the chain.

Two guys grab his arms from behind. He does a forward flip scissoring the neck of the Guy with the chain. He spins around in a back flip pulling the chain guy over and freeing himself from his other 2 captors.

He kicks the guy on the left in the knees, then punches the guy on the right knocking him into the car.

The gang leader steps out at him. He does a double kick at him, Dick ducks. He spins at him in the other direction. Dick ducks again then comes up and punches the Gangleader in the face. He starts to stand up again and Dick kicks him with a right spin kick. The Leader goes down to his knees. The Girl Gangmember who has been guarding the girl captive runs to her fallen leader.

Dick goes to the awestruck Girl.

DICK

Get out of here.

GIRL

Wait. You forgot the part where you kiss the girl.

He smiles, happy to oblige, they kiss....

DICK

Go on.

The girl runs away.

DICK

I could get into this superhero gag.

He sees The Gangleader is helped up by his girlfriend. he whistles. Suddenly from above from the fire escapes, many Gangmembers come down from all directions.

The Toughs fill the alley, heading for Dick. He runs to the other end of the alley but suddenly another group of gang girls comes at him. He runs back and jumps onto the wrecked car then Dick grabs a hanging fire-escape and begins making for the safety of a nearby rooftop but Gangmembers come at him from above and below.

Dick fights valiantly. Suddenly one of the Gangmembers points to the roof.

It's Batman. GANGMEMBER

Dick starts hammering his torso with both fists. Batman
holds his ground, taking the rage. Finally, Dick's blows
slow.

DICK

They'd still be...Alive.

Batman catches Dick's hand.

There is. All I think about every

Two-Face. He took...my whole life.
But when I was out there tonight, I
imagined it was him I was fighting,
even when I was fighting you, and all
the hurt went away. Do you
understand?

BRUCE

Yes I do.

DICK

Good. Then you've got to help me find
him, and when we do I'm the one who
kills him.

BRUCE

So, you're willing to take a life?

DICK

As long as it's Two-Face.

BRUCE

It will happen this way. You make the kill. But the pain doesn't die with Harvey. It grows. So you rush into the night, fighting, until one morning you'll wake up and discover that revenge has taken your whole life and you won't know why, only that somewhere in the night it stopped being a choice.

DICK

You can't understand. Your parents wasn't killed by a maniac.

BRUCE

Yes, they were. We're the same.

DICK

Then, if we're the same Bruce help me Train me. Let me be your partner.

BRUCE

There's no turning back for me. You've still got a choice.

DICK

I am part of this. Whether you like it or not.

Dick storms out. Bruce stares after him with tired eyes. He turns to look at Alfred.

DICK

So how do we find him? And when we do, you gotta let me be the one to kill him.

BRUCE

Listen to me, Dick, killing damns you. I know. All this isn't about revenge.

Dick glances at a framed headline. The Wayne murders.

DICK

Right.

BRUCE

It's an addiction. You fight night after night, trying to fill the emptiness, but the pain's back in the morning. Somewhere along the way it stops being a choice.

DICK

Save the speeches about how great you want my life to be, okay, Bruce? You want to help me? Train me, let me be your partner.....

I know a guy with a helicopter.

329B BATMAN pulls a handful of bat-cuffs from his belt and throws them towards the closing Thugs, the cuffs homing in on and securing the villains' wrists. They fall. 329B *

330 (OVER) CHEERS erupt for Batman as he races onto the balcony. 330

331 BATMAN'S POV - BELOW 331

Harvey and Thugs disappear into in an open manhole in the center of a construction site like filth down a drain.

332 EXT. RITZ GOTHAM - NIGHT 332

Batman jumps. He zooms downward toward the manhole.

333 INT. MANHOLE 333

An abandoned subway station.

In the dark cavern, beneath a single beam of moon light, stand Harvey and his Thugs. Waiting.

TWO-FACE

Boys, welcome our guest.

With that the Thugs hoist a translucent red plastic industrial air conditioning tubing, it's max matching the diameter of the open manhole.

ENTER Bruce and Chase.

Brightly-lighted stations throughout the room announce THE NEW BOX. Pretty showgirls invite partygoers to step into various black-curtained show booths. Monitors on each booth show the action within: eager participants enjoy total holographic environments created by the newest version of the The Box.

314 Bruce scans the room as he and Chase pause by the first display, where a Socialite steps into a booth. 314

BOOTH MONITOR-CLOSE. The socialite GASPS with delight as she finds herself suddenly dazzling in diamonds from head to toe, stones moving as she moves.

Bruce and Chase walk to the next display.

315 NEXT BOOTH MONITOR-CLOSE. A CHUBBY BUSINESSMAN, sword in hand, fights off a knight on horseback. Apparently the images created by The New Box are fully interactive. 315

316 At the next display, a BALD GUY steps into a booth. Suddenly, he is in a classic stoner's pad circa 1967. And, best of all, he has long flowing hair. 316

Chase looks amused, Bruce suspicious.

CHASE

If I didn't know better, I'd say you were sulking.

BRUCE

Keep me off the couch, Doc. Your fees are a little rich for me.

CHASE

Touchy, touchy.

BRUCE

(not biting)

So how goes your 'scholarly' pursuit of Batman?

CHASE

Oh God, Bruce. You're still jealous.

BRUCE

(flaring)

Spare me the diagnosis, okay? You're being ridiculous. I can't be jealous of Batman.

(to himself)

Can I?

317 ACROSS THE ROOM 317

Edward, dressed now in vintage Bruce Wayne. Hair, suit, shoes, glasses, all match Bruce's perfectly. Flanking PRESS SNAP photos and hurl questions.

NEWSCASTER

You're outselling Wayne Enterprises.
Any comments?

EDWARD

Actually, I'm outselling Wayne
Enterprises **two to one...**

JOURNALIST

The Times has named you Gotham's
bachelor of the year. What do you
have to say about that?

EDWARD

You might want to ask Bruce Wayne.
(calling)
Bruce, old man!

318 Edward crosses the room to greet Chase and Bruce. His
stance mirrors the billionaire's as all are quickly
surrounded by press and partygoers.

318

EDWARD

So glad you could come.

BRUCE

Congratulations, Edward. Great party.
Nice suit...

EDWARD

The press were just wondering what
it feels like to be out-sold, out-
classed, out-quaffed, out-coutured
and generally outdone in every
way...

(noticing Chase)

And what light through yonder window
breaks? 'Tis the east. And you are...

CHASE

(charmed)

Chase?

EDWARD

Of course you are. And what a grand
pursuit you must be.

(to Bruce)

What do you think of my new
invention?

BRUCE

What? Oh, it's very impressive.

EDWARD

Gracious even in defeat. How vaguely
disappointing. When all this could
have been ours together.

Edward stills a passing waiter and his tray of champagne.
Crystal flutes for all. He toasts Chase.

EDWARD

No grape could be more intoxicating
than you, my dear. But we make due.
To your charms.

(clinking hers)

Skol.

BRUCE

(rasing his)

Nostrovia.

EDWARD

BRUCE

CHASE

I'm drinking.

And she does.

EDWARD

I notice you've sub-divided your B
coupons. Feeling a little light on
principle?

BRUCE

Actually, I like to divest just
before a major re-capitalization.

EDWARD

I wouldn't race to the bank. Old
regimes crumble every day. Life is a
cycle. Remember Yeats; turning and
turning in the widening gyre. The
Falconer cannot hear the Falcon.

BRUCE

(finishing the poem)

And the beast slouches towards
Bethlehem.

CHASE

Excuse me, boys. I'd hate to stop
this testosterone flood on my
account-

EDWARD

Quite right. Shall we dance?

And with that, Edward draws Chase onto the dance floor.

319 As Chase and Edward dance in the b.g. Bruce walks over to 319
one of the booths. Examines a control station. Tries to pry
open a circuit panel.

SHOWGIRL (OVER)

Naughty naughty.

She slaps his hand playfully. Bruce smiles an apology.
Looks around. No other choice. He ENTERS.

320 EDWARD watches Bruce enter. He smiles.

320

321 INT. BOOTH

321

BRUCE-POV.

A green flash and suddenly Bruce finds himself standing
in the center of a lush jungle. Tropical birds SCREECH. A
SHOWGIRL appears besides him.

SHOWGIRL

Hi, my name is Holly and I'll be
your holographic guide. I am
computer generated and totally
interactive.

With that she actually takes Bruce's hand, begins to lead
him away into the tropical wilds.

321A INT. BOOTH

321A

No jungle at all. Just a small cramped space. Bruce
stands, totally mesmerized, gaze fixed ~~straight~~ ahead at
sleek new Nygma-Tech TV set. Above the jungle filled TV
screen, a built in Box shoots a familiar green beam onto
his forehead, the tiny white laser of the brain drain
dancing repetitively between his eyes.

321B CLOSE ON the NygmaTech logo at the bottom of the set.

322 BACK TO PARTY

322

All the booths go dark as GUN FIRE bursts across the room.

TWO-FACE and his Thugs stand at every entrance.

322A BRUCE steps out of his booth, disoriented. Suddenly BULLETS spray the wall behind him.

322A

BRUCE backs away, slips towards a service door

TWO-FACE

Alright, folks, this is an old fashioned, low-tech stick-up. We're interested in the basics: jewelry, cash, watches, high-end cellular phones. Hand 'em over nice and easy and no one gets hurt.

Two-Face's Thugs charge the room. The crowd SCREAMS.

323 EXT. RITZ GOTHAM ALLEY - NIGHT

323

Bruce hand-slides down fire-escapes, hits the ally running.

324 EXT. ALLEY

324

Bruce ducks into the Bentley.

BRUCE

325 INT. ROLLS

325

A secret panel in the back opens. A Batsuit.

326 INT. PARTY

326

The Thugs circulate quickly, yanking jewels from ears and necks, grabbing wallets and purses, filling sacks.

Ed pushes his way against the crowd, through Two-Face's ring of personal guards and right up to Two-Face's face.

EDWARD

You're ruining my big party. Are you insane? Actually, considering your present behavior, I withdraw the question.

TWO-FACE

We're sick of waiting for you to deliver The Bat, Riddle boy. You promised us Batman.

EDWARD

Patience, oh bifurcated one.

TWO-FACE

Screw patience. We want him dead.

(looking around)

And nothing brings out The Bat like a little mayhem and murder.

EDWARD

Oh well, in that case. As long as you were going to rob me, you could have at least let me in on the caper. We could have organized this, planned it, pre-sold the movie rights.

(OVER) the CRASH of breaking glass.

327 BATMAN

327

flies in through a window, kicking a row of Thugs down before he lets go his rope and lands on the floor.

EDWARD

Harv, babe, I gotta be honest. Your entrance was good. His was better. What's the difference? Showmanship.

Two-Face shoves Edward away, looking for a clean shot. He FIRES a couple of times, but only destroys an ice sculpture and some liquor bottles. More SCREAMS.

328 One huge Thug charges Batman. Batman heaves him overhead, 328 throws him, CRASHING, into a display of stacked Boxes.

329 Another Thug has Chase to a wall, hand around her pearls. 329

BATMAN (OVER)

Excuse me.

He head-butts the Thug. The guy goes down.

Chase leans up and kisses him, hard and hot on the mouth. The chemistry here is undeniable.

CHASE

My place. Midnight.

Batman spins, races across the tops of chair backs and engages another group of Thugs. Batman draws a gas gun from his utility belt, blows a cloud of colorful mist, knocking the group unconscious. Several more villains close in.

(OVER) POLICE SIRENS.

TWO-FACE

Okay boys. Phase two.

As Batman fights in the b.g., Two-Face and his remaining cohorts dash into the express elevator. The doors close.

Batman pulls a handful of bat-cuffs from his belt and throws them towards the closing Thugs, the cuffs homing in on and securing the villains' wrists. They fall.

Batman looks to the elevator. The floor counter ticks down, three..two..one.

330 (OVER) CHEERS erupt for Batman as he races onto the balcony.330

331 BATMAN'S POV - BELOW 331

333 INT. MANHOLE 333

TWO-FACE

Boys, welcome our guest.

Batman flies directly into the dark tunnel.

339 He SMASHES into a wall. 339

340 INT. MOUTH OF TUNNEL 340

Two-Face stands staring into the dark with his Thugs. He grabs an aging valve wheel set into the crumbling wall.

TWO-FACE
Nothing worse than a bad case of
gas.

He spins the CREAKING wheel.

341 INT. INNER TUNNEL 341

A pipe near Batman begins to HISS a thick, colored gas.

342 INT. MOUTH OF TUNNEL 342

Two-Face swings a grenade launcher before him. Takes a step back. Aims into the tunnel.

TWO-FACE
The bat hath flown. Now shall be
done a deed of dreadful note.
(off his puzzled Thugs)
Macbeth? Shakespeare? Never mind.

343 As his Thugs scramble for cover, Two-Face FIRES. The 343
grenade flies into the tunnel, SLAMMING into the gas
main. An EXPLOSION.

344 A flaming white fireball. 344

345 INT. TUNNEL 345

The huge fireball rushes towards Batman. Batman wraps himself in his cape. Presses a stud on his utility belt.

346 His cape morphs into a fire retardant covering. 346

347 A tremendous fireball ROARS races down the tunnel 347
engulfing Batman in a world of flame.

348 INT. MOUTH OF TUNNEL 348

Two-Face stands staring into the inferno.
349 Billowing smoke, residual flame and falling debris 349
everywhere. No Batman. A moment of dead quiet.

350 TWO-FACE 350

Finally.

(singing)

We are the champions, my friend.
We'll keep on fighting to the-

Then Two-Face's smirk vanishes.

THUG

It can't be.

351 REVERSE ANGLE 351

A shape rises, phoenix-like, out of the flames. The figure moves forward.

Batman heads towards Two-Face and his men.

352 Two-Face-CLOSE. Consumed with rage. 352

He SHOOTS a section of the wall's support scaffolding and begins to wrench it free with crazed fury.

TWO-FACE

Why won't you just die?!

In a final rage of maniacal fury, Harvey tears the scaffolding free. It's ancient supports gone...

353 THE SCAFFOLDING 353

begins to crack and fall, sand and debris pouring in at a furious pace.

354 BATMAN 354

is suddenly doused in a rain of rock and sand.

355 THE TUNNEL between Harvey and Batman is obstructed by tons of falling metal and plaster and sand. 355

356 Two-Face stands as the ceiling falls all around him. 356

357 BATMAN is driven down by a storm of wreckage. 357

358 Two-Face can barely contain his joy. Plaster and rubble fall ever more furiously. His Thugs are ~~setting~~ nervous. 358

TWO-FACE

Now the air is hushed save where the weak-ey'd bat, with shrill short shrieks...dies.

359 BATMAN stumbles as the ground beneath him suddenly gives, sucking him into a quickly filling pit of sand. 359

360 He reaches for his utility belt and shoots a Batarang upward. No purchase. It falls. 360

361 BATMAN is nearly buried, sand coming up over his mouth, his eyes, until finally he is gone. 361

362 TWO-FACE stands watching, eyes full of childish delight. 362
363 The floor in front of him begins to give way, running 363
with deep cracks.

TWO-FACE

Boy's, let's go have us a party.

(turning)

Anybody else feel like donuts?

364 Harvey and his men head away, up out of the tunnels. 364

365-379 OMIT 365-379

380 THE SAND PIT-CLOSE. 380

Batman is buried. Only a gloved hand breaks the surface.
Just as the sand starts to cover his fingers.

A GREEN GLOVED HAND- CLOSE. Grabs Batman's hand.

WIDER

Dick in his Flying Grayson costume and black mask hangs
on a wire above Batman in an aerialist's maneuver. He
secures his grip and pulls.

DICK-CLOSE. Straining.

Suddenly, Batman's face breaks the sand.

Dick uses the leverage of his body on the rope to pull
harder. Batman begins to rise. Free.

The two face each other. Hands still clasped.

381 INT. BATCAVE LATER 381

Bruce being bandaged by Alfred. Dick is pacing.

BRUCE

What the hell did you think you were
doing?

DICK

You have a real gratitude problem.
You know that, Bruce? I need a name.
Batboy? The Dark Earl? What's a good
side kick name?

BRUCE

How about Richard Grayson college
student? This conversation is over.

DICK

Screw you, Bruce. I saved your life.
You owe me. I'm joining up.

BRUCE

You're totally out of control.
You're going to get yourself killed.

DICK

I'm going to be your partner.

BRUCE

There's no way-.

DICK

Whenever the call comes, I'll know.
Whenever you go out at night, I'll
be watching. And wherever there's a
Batman, I'll be right behind him.
How are you going to stop me?

Bruce holds his eyes.

BRUCE

I can stop you.

A beat. Then Dick turns and storms out of the Batcave.
Bruce stares after him. Rubs his eyes. Turns to Alfred.

BRUCE

And you're encouraging him.

ALFRED

Sir, young men with a mind for
revenge need little encouragement.
They need guidance.

Bruce glances at the screen.

SCREEN-CLOSE. Another anti-Batman editorial.

NEWS EDITOR

...subway will take weeks to repair.
Batman is a magnet for so-called
super villains. Only when Batman
hangs up cape and cowl will Gotham
be spared these evildoers' violent
vendettas...

BRUCE

Are they right, Alfred? Is it time
for Batman to retire?

(a beat)

Why do I keep doing this?

ALFRED

Your parents are avenged. The Wayne
Foundation contributes a fortune to
anti-crime programs. Police handle
much of the villainy. Why, indeed?

BRUCE

Chase talks about Batman as if he were a curse, not a choice. What frightened me the night of my parents' wake? The Bat?

(looking around)

Did I create all this just because a little boy was scared of a monster in the dark?

(a beat)

I thought I became Batman to fight crime. ...But maybe I became Batman to fight the fear.

ALFRED

And instead you became the fear.

BRUCE

If I quit, would Two-Face end his crusade? Could I leave the shadows? To spare Dick. To have a life. Friends. Family.

ALFRED

Dr. Meridian...

Bruce touches his lips, the spot Chase kissed Batman.

BRUCE

(pained)

Chase. I know now I've never been in love before. But she loves Batman. Not Bruce Wayne...

ALFRED

Go tell her. Tell her how you feel.

BRUCE

How? As Batman, knowing she wants me? Or as Bruce Wayne and hope...?

Alfred reaches to the phone. Hits the answer key. (OVER) TONES as the phone begins to dial.

PHONE (CHASE)

Hello?..Hello?..Who's is this?

Bruce disconnects the phone.

BRUCE

Who am I Alfred? I don't think I know anymore.

382 INT. CHASE'S BEDROOM - NIGHT

382

Dark. Moonlight through curtains. Night SOUNDS.

Chase lays asleep in bed. A shadow crosses her face. She stirs.

REVERSE ANGLE

At the french doors to her bedroom stands a familiar silhouette. Batman.

Chase rises, moves across the room, the pale light catching her pale robe. She pulls the doors wide.

Chase faces him, bodies close. She reaches up, touches his mask. Kisses him. His cape WHIPS around her.

THE KISS-CLOSE. Passionate. Sustained. Chase pulls away.

CHASE

I'm sorry.

(laughs)

I can't believe it. I've imagined this moment since I first saw you

(touching his glove)

Your hands.

(touching his mask)

Your face.

(touching his chest)

Your body.

She turns, walks across the room.

CHASE

And now I have you and....

(shaking her head)

Guess a girl has to grow up sometime.

She comes back to him, touches his cheek

CHASE

I've met someone. He's not...you.

But... I hope you can understand.

He sees now that over her desk, her Batman memorabilia has been replaced by photos and flies on Bruce Wayne.

BATMAN-CLOSE. Smiles.

Then he's over the balcony and gone, a shadow on the wing in the dead of night.

383

INT. CLAW ISLAND CONTROL CENTER - DAY

383

On his throne, in his sphere, electronically getting more brilliant every second, Edward fills all his screens with Chase's image from the party.

HIS HEAD - CLOSE. Rivulets of neural energy ripple and dance under his forehead.

Two-Face ENTERS.

TWO-FACE

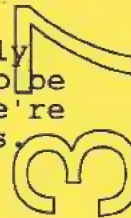

Our belfry is finally free of Bats. An end to late night raids by the man in rubber. No more troublesome explosions of violence from the winged ferret. A cease to all wall crawling, night flying humorless, vitriolic, self righteous heroics from a man whose belt and footwear don't even match. Ding dang dong the annoying bat is dead.

Suddenly Harvey grabs Riddler by the throat.

TWO-FACE

So, why do we need you? You only come between us. We're going to be the smartest in Gotham City. We're taking the empire for ourselves. Time's up, laughing boy.

RIDDLER

(rasping)

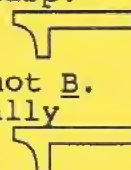

Bad news, pals. The bat lives.

Edward shows him a newspaper headline: "BATMAN SURVIVES SUBWAY SABOTAGE". A stunned beat. Two-Face throws back his arms and SCREAMS.

RIDDLER

Nice. A little flat. Try a c sharp.

TWO-FACE

Cats have nine lives. Cats. C not B. The man's refusal to die is really annoying.

*
*
*
*

Two-Face draws his gun, trains it on Riddler.

TWO-FACE

Someone is going to die today!

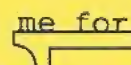

RIDDLER

Kill me? Well, alright. Go ahead. Take the empire. All yours.
(grabbing his own head)

Hell, Harv, old pals. I'll kill me for you.

Riddler grabs his hair, starts SLAMMING his own head into the desk-top.

RIDDLER

Too..bad..about..Batman.

Harvey grabs his head. Stops him.

TWO-FACE

What about Batman?

Riddler smooths his hair.

RIDDLER

What if you could know a man's mind?
Would you not then own that man?

Riddler hits a switch. Suddenly his screens fill with the image of Bruce stepping into the simulation at the party.

RIDDLER

A few dozen extra IQ points and my
little doggy learned a new trick. It
does more than drain your brain. It
makes a map of your mind.

The screens change, now showing a turning schematic of a brain, alive with neural lightning.

RIDDLER

Would you like to see what my old
friend Bruce has in his head.

384 Riddler hits a switch. Another image pulls free from the 384
schematic brain. A trapped bat. Fierce. Monstrous. The
very picture of imagined evil, made live. Bruce's
nightmare.

RIDDLER

Riddle me this, what kind of man has
bats on the brain?

Two-Face stares at him.

RIDDLER

Go ahead. You can say it.

TWO-FACE

You're a genius.

The two begin to LAUGH.

386 OMIT 386

387 INT. BATCAVE 387

Bruce and Dick are in mid-conversation.

DICK

What the hell do you mean, it's
over?

BRUCE

You were right, Dick. As long as
there's a Batman, you'll be behind
him. But without Batman, you'll
never track Two-Face down. Never get
close to him. Never... So from this
day on, Batman is no more.

Bruce throws a switch and the cave goes dark.

DICK

You can't quit. There are monsters out there. Batman has to protect the innocent.

BRUCE

Dick, I've spent my life protecting people I've never met, faces I'll never see. Well, the innocent ~~aren't~~ faceless anymore. If I let you lose yourself to a life of revenge, all I've lived for will have been for nothing. Batman has to vanish so you can live. ...Maybe so we all can.

DICK

You can't decide what I'm going to do with my life. My dad always said every man goes his own way. Well mine leads to Two-Face. You've got to help me...

BRUCE

And when you finally find Harvey? What then?

Dick looks away.

BRUCE

Exactly. And once you kill him, you'll be lost. Like me.

(a beat)

No. You have to let this go. Get on with your life. Trust me. I'm your friend-

DICK

(flaring)

I don't need a friend. I need a partner. Two-Face has to pay. ...Please.

BRUCE

Chase is coming for dinner. Come upstairs. We'll talk...

But Dick turns away. Bruce almost reaches out. Instead, he heads up into the house. Dick stands alone in the dark, still cave.

(OVER) A doorbell RINGS.

388

EXT. WAYNE MANOR

388

Alfred opens the doors to the Trick or Treaters we saw earlier. Hands out bags of candy.

389 EXT. WAYNE MANOR - ACCESS ROAD 389

A mysterious van sits parked on the gravel byway. As the Trick or Treaters pass, a familiar gloved hand emerges from the open side door. A finger beckons the children.

390 INT. VAN 390

Two-Face, Riddler, and men sit watching the manor.

391 RIDDLER-POV. A taxi pulls up. Chase emerges as the Trick or Treaters leave. 391

392 RIDDLER 392

And today's not even my birthday.

393 Two-Face couldn't care less about Chase. He tosses his coin. HOLD ON the spinning faces as (OVER) we hear... 393

TWO-FACE

Bruce, Batman. Bruce, Batman.

394 INT. COSTUME VAULT, BATCAVE - NIGHT 394

Opens with a HISS. Dick passes the Batman costumes until he comes to a standing figure different from the rest.

His Robin costume. He packs to leave forever.

395 EXT. WAYNE ESTATE 395

Dick walks his motorcycle through the protective hologram of the trees, hops on, heads away into the dark night.

396 INT. WAYNE MANOR - LIVING ROOM 396

Intensely romantic. Bruce and Chase sit before the ROARING fire. Alfred leaves, having just poured a vintage red.

BRUCE

I asked you to come tonight because
I need to tell you something. *

CHASE

I want to tell you something, too. *

BRUCE

What I wanted to say- CHASE Something happened last- *

Both LAUGH. *

BRUCE

You go first. *

CHASE

Right. Okay. Bruce, all my life I've been attracted to a certain kind of man. The wrong kind of man. I mean, look at what I do for a living. But since I met you-

(a beat)

God, why am I so nervous?

She reaches for her wine glass and instead knocks over a vase. Two roses fall to the floor.

397 BRUCE-POV. Roses hit the alley floor. His mother falls. 397
Bruce is gone again, into his past.

398 CHASE 398
Bruce? What's wrong?

BRUCE
...It's happening again. Flashes.
Images of my parents' death.

CHASE
Your memories are trying to break through. Let them come.

BRUCE
I'm not sure I want to remember.

CHASE
You braved those thugs at the circus, Bruce. Braved your parents' death. You can brave the past.

A beat. Then Bruce Wayne leans back, closes his eyes.

BRUCE
My parents are laid out in the library. There's a book on my father's desk. I'm opening the book. Reading. I'm running out into the storm, the book in my hands. I can't hear my screams over the rain. I'm falling into a hole...

CHASE
Okay. What hurt so much? What did the book say?

Bruce opens his eyes.

398A BRUCE-POV. He is in the library again. The coffins before 398A
him. He stands. Walks towards them.

CHASE
Where are you?

BRUCE

I thought it was the bat that scared me that night, that changed my life. But it wasn't. This is the monster I grew strong and fierce to defeat. The demon I've spent my life fighting. My own guilt. The fear that I killed them.

Chase holds his eyes.

CHASE

Oh God, Bruce, you were a child. Your weren't responsible...

She begins to comfort him, then her caresses change in tenor. They kiss, seperate.

CHASE-CLOSE. Stunned. A kiss she's tasted before.

(OVER) The doorbell RINGS.

399

FRONT DOOR

Alfred peers out to face the same children's halloween masks we saw earlier.

LITTLE VOICE

Trick or Treat?

Alfred grabs his candy bags as he opens the door to...

400

The Riddler, Two-Face and the Thugs.

RIDDLER

Trick.

He CRACKS Alfred on the head with his cane. Down the butler goes. Thugs toss him into a closet, ~~bolt~~ the door.

TWO-FACE

(to his thugs)

Move.

RIDDLER

Remember the plan. Seize and capture. No killing!

Harvey watches the Riddler dance off. Not happy.

401

INT. DINING ALCOVE

What the hell?

Thugs appear at both doorways.

Bruce grabs Chase's hand and they're out the door, racing fast, several more henchmen in close pursuit.

TWO-FACE
(imitating Riddler)
No killing. Torture him. Make him suffer. Whatever happened to old fashioned murder? Kids these days.

403 INT. HALLWAY

403

Bruce and Chase race towards the stairway. Bruce overturns statues as he goes, blocking the Thugs' way.

404 INT. BAT CAVE

404

Riddler has found heaven. From his pouch he produces tiny green bombs shaped like bats. He winds one up, it's head SCREECHING with each twist of the neck, he throws.

RIDDLER
You know, it's always risky introducing a trained animal into the wild.

405 The first bomb flies into the video wall. A tremendous EXPLOSION.

405

406 RIDDLER
They often have trouble acclimating to the new environment.

406

407 The next bat-bomb lands in the costume vault. BLOWS
408 it completely. The crime lab EXPLODES next.

407

408

409 The Riddler winds up the last one on his way out.

409

410 RIDDLER
Tell the fat lady she's on in five.

410

411 The tiny bomb lands in the cockpit of the Batmobile and the car EXPLODES.

411

411A INT. WAYNE MANOR CLOSET

411A

Alfred comes to. Tries the door. Locked. He activates his wrist video-phone. (OVER) TONES sounds as the autodial number races across the tiny screen: 911.

412

INT. WAYNE MANOR - GRAND STAIRCASE

412

Bruce and Chase flee up the giant staircase, the Thugs step behind. One two-toned bad-guy leaps forward, gets a fistful of Chase's dress. She goes down. Looks like she's done for. At the last moment, Chase gives a mighty kick and the Thug topples backwards, down the stairs.

B1211100374

CHASE
It's theraputic.

Bruce is holding off a couple more, closing near the top step. He spins, a powerful roundhouse clocking one in the head, sending him backwards down the stairs.

BRUCE
Go!

Chase moves behind him, up to the landing, turns to see Bruce fell another with a spinning back kick, a third with a flying back-fist. Then Bruce shoves a group of suits of armor down at the Thugs.

Bruce and Chase race to the top of the stairs.

413 TWO-FACE sits, still flipping. Good side up every time. 413

TWO-FACE
A chance to live. A chance to die.
Lady Luck makes her decrees and we
can do naught but slavishly follow.
(lands evil side up)
Finally.

Harvey stands, takes aim, SHOOTs. The bullet grazes Bruce's head. He tumbles down the grand staircase.

CHASE SCREAMS as Thugs grab her.

BRUCE hits the floor. Hard. No movement. None at all.

TWO-FACE
Bruce, my boy, you sure know how to
throw a party.

414 (OVER) approaching SIRENS WAIL. Riddler appears from the Batcave. Sees Harvey standing over a prostrate Bruce. 414

RIDDLER
No! You killed him.

TWO-FACE
(aiming at Bruce)
Not yet. But give us a second.

Riddler sweeps behind him, begins towing him towards the door by his collar.

RIDDLER
Okay, let's review. We were not
going to kill him. We were going to
torture him, remember? Wreck and
ruin all he holds dear? Leave him
broken, knowing his secret is
revealed and death will come, but
not where or when? Any of this ring
bells? You really passed the bar?

Two-Face spins, guns ready.

RIDDLER
Kidding. Ha-ha? Joke?

TWO-FACE
Okay. Just grab the bait.

(OVER) The SIRENS are closing.

RIDDLER
Enough tricks. Where's my treat?
(shouting)
Boys!

The Thugs drag out a freshly bound Chase as the Riddler drops a new fourth riddle and all rush out the door.

RIDDLE - CLOSE. We're five little items of an everyday sort. You'll find us all in a TENNIS COURT.

420 INT. BRUCE'S BEDROOM, MORNING

420

Bruce is in bed, head bandaged. Alfred is walking a doctor to the door.

DOCTOR

The injuries are relatively minor.
The shot did cause a concussion.
Watch for headaches. Memory lapses.
Odd behavior. I'll check back in a
few days.

Alfred ushers him out, returns to Bruce's bedside.

ALFRED

How are you feeling, young man?

BRUCE

Not that young. It's been a long
time since you've called me that.

ALFRED

Old habits die hard. Are you
alright?

BRUCE

As well as can be expected, I guess.
Give me the bad news.

ALFRED

Master Dick has run away. They have
taken Dr. Meridian. And I'm afraid
they found the cave, sir. It's been
destroyed.

Bruce looks up at Alfred, eyes narrow, puzzled.

BRUCE
The cave? What cave?

421 EXT. POLICE HEADQUARTERS ROOFTOP 421

The Batsignal lights the sky. Gordon paces.

GORDON
Where is he?

A concerned DEPUTY emerges onto the roof.

DEPUTY
The Mayor's called again.
(off the signal)
He's not going to show. Maybe he's
hurt sir. Maybe he's--.

GORDON
Don't even think of it.

422 INT. BATCAVE 422

Or what's left of it. Melted ruin and rubble. Bruce stands with a worried Alfred, surveying the landscape.

BRUCE
(disbelieving)
I remember my life as Bruce Wayne.
(looking around)
But all this. It's like the life of
a stranger.

ALFRED
Perhaps the fall...

BRUCE
There's one other thing. I feel...

ALFRED
What?

BRUCE
...Afraid.

ALFRED
Bruce. Son. You are a kind man. A
strong man. But in truth you are not
the most sane man.
(a beat)

You gave up being Batman to save a
friend. But perhaps you also gave
him up because you never faced why
you became him in the first place.

BRUCE
...The cave.

ALFRED

What?

BRUCE

I remember the cave. Something
chasing me. A demon.
(child's fear)
Oh my God, Alfred.

ALFRED

No demons, son.

(touching his head)

Your monsters are here. And until
you face them, I fear you will spend
your life fleeing them.

Riddler sits on his throne, absorbing pulses of neural
energy.

Your bat's gonna come. Your bat's
gonna come.

(suddenly, lethal)

I'm counting on it.

He puts his face close to Chase's.

CHASE

There's a reason we only use a
fraction of our brains. You're
cutting neural pathways faster than
your consciousness can incorporate
them. You're frying your mind.

RIDDLER

Major buzz kill. Spoil the mood, why
don't you? Nap time gorgeous.

The Riddler draws a hypo filled with green liquid. He
plunges it into her neck as she passes out.

425 INT. BATCAVE

425

Bruce stands before a dark, rocky mouth. Through this passage, the cave as it once was, sweating granite, a shifting world of shadow.

Bruce steps inside.

426 INT. INNER BATCAVE

426

FAVOR BRUCE as he walks deeper into the darkness. The walls around him undulate, as if covered in water.

427 WALLS-CLOSER. The movement isn't water at all, it's the restless shrugging of bats. Thousands of bats.

427

428 Bruce presses on. Sweat beads on his face.

428

Ahead, a diffusion of moonlight illuminates a curving rock chamber, bats here too bringing the walls to life.

Bruce moves into the moonlight. Looks up.

429 BRUCE - POV. A narrow chute. The fall he took as a child.

429

He kneels, there on the floor, worn by years of weather, a single book. A diary.

Bruce kneels, touches the leather cover, fingers lingering for a moment on his father's embossment, before he turns yellowed pages to the last entry. Painfully, by moonlight, he reads.

BRUCE (OVER)

(dreaded confirmation)

Bruce insists on seeing a movie tonight...

He pauses, gathers himself. He continues.

BRUCE (OVER)

But Martha and I have our hearts set on Zorro, so Bruce's cartoon will have to wait until next week.

Bruce stares at the book in disbelief. Then he looks up at the moonlight, tears streaming down his face.

BRUCE

...Not my fault. It wasn't my fault.

430 Suddenly, in the darkness ahead, a dark shape moves, head rising, slits opening to reveal two blood red eyes.

430

The giant monarch bat spreads it's wings, huge, as it rises, suddenly airborne, rushing toward him.

431 BRUCE-CLOSE. And terrified. He turns to run. The bat's flapping wings BEAT like drums, closing fast. 431

Bruce holds his ground. Resolved. He turns and faces the monster, SCREECHING towards him, glistening fangs barely inches from his face.

Something remarkable happens. The bat holds it's position, stares into Bruce's eyes, wings spreading wide.

A beat. Then Bruce raises his arms, a living mirror. The two stand facing each other, man and bat. In the moon light on the wall, their shadows begin to blend, to merge, becoming one SHIMMERING WHITE LIGHT.

432 INT. BATCAVE 432

The mouth of the inner cave. A sudden SCREAMING PIN as a storm of bats explode into the cave, a shooting column of life and there, from within, steps a man.

433 ALFRED stands watching 433

ALFRED
Master, Bruce?

BRUCE
...Batman, Alfred. I'm Batman.

434 EXT. POLICE HEADQUARTER'S ROOF - NIGHT 434

Gordon paces before the stark light of the signal.

Suddenly the air above the familiar circle begins to shimmer and glow, becoming...

A giant green question mark. The Batsignal itself is now just the small period at the symbol's bottom.

GORDON-CLOSE. Not happy.

A435 INT. BRUCE'S BEDROOM - NIGHT A435 *

Bruce and Alfred stand over the four riddles. *

BRUCE
Five little items of an every day sort. You'll find them all in a tennis court.

Bruce lifts a pen. Begins circling letters in the words "A Tennis Court".

BRUCE
Vowels.

ALFRED

Not entirely un-clever, sir. But what do a clock, a match, chess pawns and vowels have in common? What do these riddles mean?

Bruce stares at the riddles a beat. Light bulb.

BRUCE

Maybe the answer is not in the answers but in the questions.

ALFRED

I shan't be saying that several times fast, shall I?

BRUCE

Every riddle has a number in the question.

Bruce writes the numbers from each question on a sheet of paper.

ALFRED

But 13,1,8,&5. What do they mean?

BRUCE

What do maniacs always want?

ALFRED

Recognition?

BRUCE

Precisely. So this number is some kind of calling card.

Bruce stares at the numbers. Adds them: 27. Squares them: 16916425. No luck. Starts again, separating them: 13/18/5.

BRUCE

Letters in the alphabet.

ALFRED

Of course. 13 is M....MRE? MRE?

BRUCE

How about, MR. E.

468 EXT. GOTHAM HARBOR - UNDERWATER 468
Dark panels shift, sealing wheel hubs, growing sleek fins

469 Two frogmen hold Robin by arms and legs. A third pulls 469

473A Batman shoots straight towards the surface, breaks the 473A

477 EXT. CLAW ISLAND SHORE - NIGHT 477
Robin climbs onto the rocky shore. Batman breaks the
surface a few yards behind, pauses, re-fastening his cape

Robin starts climbing up the rocks. There is a horrible crunching sound and the rock directly under Robin starts to rise.

Batman is climbing behind him but stops when he sees Robin rising.

478 WIDER

478

The island surface actually rests atop a tremendous cylindrical oil tank, rising, now, fast out of the water.

479 Batman stands on a necklace of jutting rocks. He throws a Batarang but it glances off the side of the cylinder.

480 WIDER

480

Batman stands staring up at Robin, who stands alone atop the metal cylinder, now more than near five stories high.

No way up. Batman spots a rusting access panel on the giant metal structure.

BATMAN

Batman runs towards the metal door. He climbs the ladder and goes in.

485 INT. CYLINDER

485

A world of spinning, glowing question marks fills the giant, empty cylinder. Below, the CRASHING surf and rocks. Batman looks up. The ceiling is...

486 A giant steel grate flush with the sides of the cylinder. He looks below and sees faintly pointed rocks sticking out of the water. The rocks are also covered with question marks.

486

481 EXT. CLAW ISLAND

481

Robin is climbing up the rocks. Suddenly behind him...

TWO-FACE (OVER)

Looking for us?

Robin spins. Two-Face stands smiling at him, a gun in his hands.

482 Two-Face's leap is savage, aiming his pistol at Robin. 482

Robin kicks Harvey knocking the gun out of his hand and knocking him down on the rocks.

ROBIN

That was For my mother.

Harvey tries to get up but Robin kicks him down again.

ROBIN

This is For my father.

Robin picks Harvey up and punches him in the face.

ROBIN

That was for my brother.

Robin hauls off and smashes him in the face.

ROBIN

And this is For me.

The headbutt sends Two-Face rolling down the slope, fingers raking dirt and stone, finding no purchase.

483 At the last second, Two-Face grabs a jagged outcropping of Rock on the Island's edge, hanging on for dear life, feet kicking wildly over the abyss. 483

BATMAN is nearing the top of the cylinder. The grate suddenly begins to mechanically descend towards Batman, the question marks disappearing under a tremendous coin of falling darkness. Batman looks below and sees the rocks in the water. He looks above and sees the grate approaching. He is trapped. He jumps onto the descending grate and is forced to ride it down.

483A EXT. ROCKY LEDGE 483A

TWO-FACE

Finally justice is served. Sweet release from two years of torment.

(dark side)

Our body smashed and broken on the rocks below. It's better, let us die.

The rock starts to slide.

TWO-FACE

The rock pulls free.

TWO-FACE

I'll See you in hell.

Two-Face falls.

484 ROBIN'S hand grabs him.

484

ROBIN

No. I'd rather see you in jail.

WIDER

Robin hoists him to safety.

TWO-FACE

493 Batman hangs, watching the now dislodged grate fall to the watery depths below. A beat. He hoists himself through a rusting access hatch to face... 493

494 INT. RIDDLER'S CONTROL ROOM 494

BACK OF HEAD-CLOSE. The head is the Riddler's, his hair now shaved into the shaped of a question mark.

WIDER

The Riddler sits across the room, the back of his throne to Batman, a huge antenna shooting up into the night sky behind him through a round hole in the dome. A ring of light encircles him, feeding him ever more brain power.

The Riddler's throne rotates. Sitting there The Riddler in a new white unitard with glittery question marks.

RIDDLER

Riddle me this, Riddle me that.
Who's afraid of the big, black bat?

BATMAN

No more tricks, Edward.

RIDDLER

Very well let's get real.

BATMAN

Release Chase. This is between you and me.

Two-Face steps from behind The Riddler.

TWO-FACE

And me and me.

BATMAN

(off the antenna)
...You've been sucking Gotham's brainwaves. And now you've devised a way to read men's minds.

RIDDLER

Oh, Bruce, you are clever. How fitting that numbers lead you to me. For numbers will crown me king. My Box will sit on countless TV's around the globe, mapping brains, giving me credit card numbers. Bank codes. Safe combinations. Numbers of infidelities. Of crimes. Of lies told. No secret is safe from my watchful electronic eye. I will rule the planet. For if knowledge is power then tremble world, Edward Nygma has become a God.

(to Harvey)

Was that over the top? I can never tell...

(to Batman)

By the way, B-man, I got your number.

Riddler

I've seen your mind, freak. Yours is the greatest Riddle of all. Can Bruce Wayne and Batman ever truly coexist? Ring a bell?.

Batman remains stoic, but Edward is right on

The Riddler turns the heads on his Thinker hand-rests and suddenly his muscular physique splits in half, simply a solid form-fitting body suit, and from within steps Edward, dressed in a skin-tight, question mark covered leotard. He stands now in the center of his glowing ring.

RIDDLER

I know who I really am. Let's ~~help~~ you decide, once and for all, who you really are. Behind Curtain number one...

Sugar appears on the edge of the room, points towards a curtain draped cylinder suspended overhead. The curtain rises to reveal Chase within the tube, bound, unconscious.

RIDDLER

The captivating Dr. Chase Meridian. She enjoys hiking, getting her nails done and foolishly hopes to be the love of Bruce Wayne's life.

Spice appears on the other side of the room. Gestures towards another hanging cylinder. The curtain rises to reveal a beaten and bound Robin.

RIDDLER

Batman's one and only partner. This acrobat turned orphan likes looking his best despite an endless series of bad hair days.

502

BATMAN

Edward, you've become a monster.

RIDDLER

No. Just The Riddler, and here's yours. What is without taste or sound, all around, but can't be found?

He begins HUMMING the Jeopardy theme.

503 ANGLE from the water below.

The floor between Batman and the hanging cylinders is a holograph masking a tremendous gap. Batman is about to step into an abyss.

504 Batman stops short. Looks up at Riddler.

504

BATMAN

Death.

(louder)

Death. Without taste, sound and all around us.

(getting it)

Because there is no way for me to save them or myself. This is one giant death trap.

Batman SLAMS his utility belt, releasing a high energy
Batarang which he hurls at the Riddler's huge antenna.

508

THE BATARANG

517 BATMAN-POV (SONAR SCREENS) 517
As he rests Robin on the beam beside Chase Suddenly his world flares a blinding white.

518 TWO-FACE 518
stands on the beam before him, a halogen light strapped around his head, blinding Batman's sensors.
Two-Face brandishes his gun.

TWO-FACE
All those heroics for nothing. No more riddles, no more curtains one and two. Just plain old curtains.

He COCKS the trigger.

BATMAN
Haven't you forgotten something, Harvey? You're always of two minds about everything....

The handsome side of Harvey's face turns toward them.

TWO-FACE
Oh. Emotion is so often the enemy of justice. Thank you, Bruce.

He takes out his famous Coin and flips it. Batman reaches for his utility belt and tosses into air a handful of identical coins, all shimmering in the dim light.

TWO-FACE
No!

519 As Two-Face reaches wildly for the falling storm of wealth, unsure which coin is his, he loses his balance and falls from the beam to the rocks and angry sea below. 519

521 INT. RIDDLER'S CONTROL ROOM 521

Batman pulls himself into the room. The lights are still down. A lone figure crawls through the shattered equipment, trying in vain to piece together the charred fragments. His voice is small, lost.

RIDDLER

Why can't I kill you? Now there's a riddle? Not smart enough. Find a way. Fuse the transceiver to. what? Can't remember. Too many questions. Why you and not me? Why me? Why??!!

EDWARD-CLOSE. A burned, charred scalp. Pathetic. WHIMPERING. Mad.

Batman looks down, his eyes sad, compassionate.

BATMAN

Poor, Edward. I had to save them both. You see, I am Bruce Wayne and Batman. Not because I have to be. Now because I choose to be.

Batman reaches out to Edward. Ed jerks in fear, looks up.

522 EDWARD'S POV- Coming towards him, not Batman, but a hideous demonic giant bat. 522

CHASE

Edward...

EDWARD

Who is it?

CHASE

It's Dr. Meridian. Chase. Do you remember me?

EDWARD (O.S.)

How could I forget?

CHASE

Dr. Burton tells me you know who Batman is.

EDWARD (O.S.)

(giggle, giggle)

Yeesssss. I know!

Chase and Burton look at each other, on edge.

CHASE

Who is The Batman, Edward?

EDWARD (O.S.)

Can't tell if you don't say please.

CHASE

You're right, Edward. I didn't mean to be impolite. Please.

No response. Just GIGGLES.

CHASE

Edward, please. Who is Batman?

A beat. Suddenly a huge silhouette of a bat appears on the padded wall. Into it leaps Edward, the sleeves of his straightjacket madly flapping like the wings of a bat.

EDWARD
I AM BATMAAAAAAANNNN!!!

527 EXT. ARKHAM ASYLUM - NIGHT

527

Chase comes down the front steps to find Bruce waiting in front of the Bentley, holding the rear door open.

CHASE
He's lost all contact with reality.
Your secret is safe. Batman. Or do I
just call you Bats?

Bruce smiles. He reaches into his coat, hands her a small wicker figure. The dream doll.

BRUCE
Thank you. I don't need it anymore.
My dreams are all good dreams. Now.

They kiss. And the kiss is good.

CHASE
(climbing into the car)
Don't work too late.

Bruce just smiles.
